Brief Description: Providing an excise tax exemption for property owned, operated, or controlled by a public corporation.

**SB 6065 - DIGEST**

(DIGEST AS ENACTED)

Provides an excise tax exemption for property owned, operated, or controlled by a public corporation if the property is used as a public esplanade, street, public way, public open space, park, public utility corridor, or view corridor for the general public or the property is used to implement an agreement or plan.
