Brief Description: Clarifying when actions may be maintained against a church.

SB 6170 - DIGEST

Declares that an action in tort based on the intentional or criminal act of a third party may not be maintained against a church unless the act occurred while: (1) The third party was working in a paid or a volunteer position for the church;

(2) the victim was on the premises of the church;

(3) the victim was in the custody of the church; or

(4) the victim was participating in an activity sponsored or organized by the church.
