

6261-S

Sponsor(s): Senate Committee on Environmental Quality & Water Resources (originally sponsored by Senators Rasmussen and Fraser)

Brief Description: Limiting chlorine in drinking water.

SB 6261-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides that, January 1, 2001, the department of health shall develop and report to the legislature recommendations for improving the operating procedures of small privately owned public drinking water systems in order to prevent excessive chlorination and reliance on chlorination in place of needed system improvements.
