SB 6336-S - DIGEST

(DIGEST AS ENACTED)

Finds that supervision of offenders in the community and an
offender's payment of restitution enhances public safety, improves
offender accountability, is an important component of providing
justice to victims, and strengthens the community.

Declares an intent that all terms and conditions of an
offender's supervision in the community, including the length of
supervision and payment of legal financial obligations, not be
curtailed by an offender's absence from supervision for any reason
including confinement in any correctional institution.

Declares that an offender's absence from supervision or
subsequent incarceration acts to toll the jurisdiction of the court
or department over an offender for the purpose of enforcing legal
financial obligations.
