Brief Description: Clarifying what constitutes a gift to a state officer or state employee.

**SB 6523 - DIGEST**

Declares that, for the purposes of this act, a donation made to a nonprofit corporation exempt from taxation under section 501(c)(3) of the federal internal revenue code is not a gift to a state officer or employee if the purpose of the 501(c)(3) corporation is to benefit a state officer or employee or a family member as the result of a catastrophic event or condition either involving that state officer's or state employee's family or primary place of residence.

Requires every 501(c)(3) corporation that receives donations as permitted under RCW 42.52.140(2) shall, after January 1st and before April 15th of each year, file with the commission a statement of all donations with a value greater than fifty dollars from one source for the preceding calendar year.
