Brief Description: Granting administrative emergency powers to the governor.

SB 6577 - DIGEST

Provides that the governor may after finding that a county has suffered a budget reduction of forty percent or more from the previous budget year and that this reduction may cause adverse affects to life, health, property, or the public peace, proclaim a state of administrative emergency in the affected county, and the powers granted the governor during a state of administrative emergency are effective only within the county and for the time period described in the proclamation. Under the governor's powers of administrative emergency the governor may make, amend, or rescind the necessary orders, rules, and regulations of all executive agencies and offices.
