Brief Description: Providing a tax credit to counties adjacent to rural counties.

SB 6634 - DIGEST

Provides that a rural county may transfer its status as a rural county for the purpose of RCW 82.04.4456 to one adjacent county. If a rural county transfers its status as a rural county, no qualified employment position that exists or is created in the rural county after the transfer of status, that otherwise qualifies under the provisions of this section, shall receive the credit under this section. Persons in an adjacent county that is eligible for the credit under this section must comply with all the requirements of this section, except for the designation as a rural county.
