8 reductions in a program's personnel, travel, or other indirect service-
9 related costs."

10 Renumber the remaining subsections consecutively and correct internal
11 references accordingly.

12 On page 23, after line 21, insert the following:

13 "(5) The director may not reduce direct services provided by a
14 program administered by the department for the purpose of funding costs
15 associated with implementation of this act. This subsection shall not
16 limit the director's ability to take actions that may result in
17 reductions in a program's personnel, travel, or other indirect service-
18 related costs."

19 Renumber the remaining subsections consecutively and correct internal
20 references accordingly.

EFFECT: Prohibits the directors of TED and DCD from reducing a program's direct services to cover the costs associated with splitting the department. Still allows the directors to make cost reductions in other indirect service-related areas such as personnel and travel.
