2 HB 1886 - H AMD **ADOPTED 4/17/01**

3 By Representative

4

5 On page 5, beginning on line 10, after "bees," strike all material  
6 through "animals" on line 13, and insert "animal pharmaceuticals  
7 approved by the United States department of agriculture or by the  
8 United States food and drug administration"

EFFECT: Clarifies that exemption only covers animal  
pharmaceuticals approved by the FDA or USDA. Eliminates exemption for  
animal supplements.
