5 On page 6, line 36, after "amount:" strike everything through  
6 "areas." on page 7, line 14, and insert the following:

7 "(a) Ninety percent must be deposited in the regional  
8 transportation investment account. The department of transportation  
9 must use the funds to implement projects identified in the regional  
10 transportation investment plan; and

11 (b) Ten percent must be distributed to county and city capital  
12 projects to address principal arterial improvements identified in the  
13 ballot proposition and adopted transportation and land use plans of the  
14 jurisdiction spending the funds and consistent with an applicable and  
15 adopted metropolitan transportation plan."

EFFECT: Revises revenue distribution requirements such that 90% of the funds go to fund projects adopted in the regional transportation investment plan. 10% of the funds go to county and city capital projects for principal arterial improvements consistent with the metropolitan transportation plan.
