

1 **2SHB 2403** - H AMD

2 By Representative ____

3 On page 6, beginning on line 24, after "unit" strike all material

4 through "If" on line 34 and insert ". However, if"

EFFECT: Requires an election to determine the exclusive bargaining representative instead of allowing the Public Employment Relations Commission to determine representation based on a cross-check of membership cards. (The bill would allow a card check when only one employee organization is seeking certification as the exclusive bargaining representative and there is no incumbent exclusive bargaining representative.)
