3 On page 88, line 16, after "victims." insert "In addition to any  
4 other requirements to report violations, the sex offender treatment  
5 provider is obligated to report an offender's expressions of intent to  
6 harm or other predatory behavior, whether or not there is an  
7 ascertainable victim, in progress reports and other established  
8 processes that enable courts and supervising entities to assess and  
9 address the progress and appropriateness of treatment."

**EFFECT:** Requires sex offender treatment providers to report an offender's expressions of intent to harm or other predatory behavior, whether or not there is an ascertainable victim.
