2 By Representative Doumit **Adopted March 5, 2002**

3 On page 2, line 3 of the amendment, after (3)- strike everything
4 down to and including mountains- on line 6 and insert The prohibition
5 against substitution of export restricted timber does not apply to logs
6 sold by the department under the contract harvesting program. Any
7 person may purchase logs from the department or from another purchaser
8 without limitation through the contract harvesting program unless that
9 person is under a debarment order issued by the department of revenue
10 pursuant to the applicable state regulations or statutes implementing
11 the federal forest resources conservation and shortage relief act of
12 1990 (16 U.S.C. Sec. 1620 et seq.). Nothing in this subsection
13 authorizes the export of export restricted timber-

EFFECT: Exempts logs sold through the contract harvesting program from the prohibition against substitution. Deletes the limitation on the use of contract harvesting in a portion of eastern Washington.
