5 (d) Procedures for disclosing information to local law enforcement
6 agencies when school administrators become aware of evidence of
7 misconduct by a student or school employee that the school
8 administrator reasonably believes would constitute a criminal offense"

EFFECT: Requires the school district board to adopt a policy to provide for procedures for disclosing information to local law enforcement agencies when school administrators become aware of facts of misconduct by a student or school employee that the school administrator reasonably believes would constitute a criminal offense.
