

1 **ESSB 6528** - H COMM AMD

2 By Committee on State Government

3 On page 1, line 5, after "for" strike "publicly funded" and insert
4 "public works"

5 On page 1, line 8, after "RCW" insert "or RCW 28B.10.350"

6 On page 1, line 10, after "for" strike "publicly funded" and
7 insert "public works"

8 On page 1, line 12, after "responsible" strike all material
9 through "act" on line 13.

10 On page 1, line 16, after "consider" insert ", but is not limited
11 to,"

12 On page 2, line 10, after "entities" strike all material through
13 "used." on line 15 and insert "may create their own questionnaire or
14 may use a questionnaire created by the Washington state department of
15 general administration to determine compliance with section 2 of this
16 act."

EFFECT: Clarifies that the bill applies only to "public works projects" rather than "publicly funded projects"; provides that the bill does not supercede the contracting procedures currently used by four-year institutions; allows government entities to consider criteria other than those listed in the bill; and allows government entities to create their own questionnaire.
