5 On page 4, line 2, after "section." insert "The legislature's
6 delegation of authority under this act to adopt materials and rules is
7 strictly limited to the minimum delegation necessary to administer this
8 act's clear and unambiguous directives for those circumstances and
9 behaviors reasonably foreseeable at the time of enactment."

EFFECT: Provides that the legislature's delegation of authority under this act to adopt materials and rules is strictly limited to the minimum delegation necessary to administer the act's clear and unambiguous directives for those circumstances and behaviors reasonably foreseeable at the time of enactment.
