2 By Representative Schual-Berke

3 On page 2, line 23 of the amendment, strike all of subsection (ix)

4 Renumber the remaining subsections consecutively.

5 On page 3, after line 20 of the amendment, insert the following:

6 "NEW SECTION. Sec. 3. The superintendent of public instruction and
7 the secretary of the department of health shall develop a uniform
8 policy for all schools districts providing for the inservice training
9 for school staff on symptoms, treatment, and monitoring of students
10 with diabetes and on the additional observations that may be needed in
11 different situations that may arise during the school day and during
12 school sponsored events. The policy shall include the standards and
13 skills that must be in place for inservice training of school staff."

14 Renumber the remaining sections accordingly.

EFFECT: Requires a uniform state-wide policy on inservice training for school staff on diabetes, rather than separate policies on inservice training in each school district.
