HOUSE COMMITTEE ON HEALTH CARE

Majority Report: Do pass. Signed by 12 members: Representatives Campbell, Republican Co-Chair; Cody, Democratic Co-Chair; Schual-Berke, Democratic Vice Chair; Skinner, Republican Vice Chair; Alexander, Conway, Darneille, Edwards, Marine, McMorris, Pennington and Ruderman.

Staff: Dave Knutson (786-7146).

Background:

The federal balanced budget act of 1997 established the Critical Access Hospital Program. The Program provides enhanced reimbursement through the Medicare program for small rural hospitals that meet federal eligibility criteria. Eight rural hospitals are currently certified as Critical Access Hospitals and receive enhanced funding through the federal program. These same rural hospitals also provide large amounts of service and

care for Medical Assistance recipients. There is currently no mechanism to provide small rural hospitals with enhanced reimbursement for services to medicaid recipients.

Summary of Bill:

A Critical Access Hospital Program for Medical Assistance clients is established. The Department of Social and Health Services will provide enhanced reimbursement rates for qualifying rural hospitals based on allowable costs incurred during the year.

Appropriation: None.

Fiscal Note: Requested on January 25, 2001.

Effective Date: Ninety days after adjournment of session in which bill is passed.

Testimony For: Small rural hospitals are struggling financially. This program will help them stay in business and continue to serve their local communities.

Testimony Against: None.

Testified: Lisa Thatcher, Washington State Hospital Association; and Tom Martin, Lincoln Hospital.
