HOUSE COMMITTEE ON APPROPRIATIONS

Majority Report: Do pass as amended. Background:

In the 2000 legislative session, a new Public Employees' Retirement System Plan 3 (PERS 3) was created for employees of state agencies and higher education institutions, effective March 1, 2002. PERS 3 is available to employees of local government who may transfer to PERS 3 effective September 1, 2002.

PERS 3 is a split plan, similar to the Teachers Retirement Plan 3, with a defined benefit portion and a defined contribution portion. The design of the defined benefit portion of PERS 3 is generally the same as PERS 2, except PERS 3 has a 1 percent benefit at retirement rather than 2 percent. The defined benefit portion is funded entirely by employer contributions; PERS 3 members make no contributions to the funding of the defined benefit portion.

Current members of PERS 2 have the option to transfer to PERS 3. Those who do so have their service credit and accumulated contributions transferred to their individual account in PERS 3. PERS 2 members who: 1) Are state agency and higher education employees; 2) transfer between March 1, 2002, and September 1, 2002; and 3) earn service credit in February 2003, will receive a transfer payment to their PERS 3 defined contribution accounts equal to 110 percent of their accumulated contributions. Local government employees who transfer from PERS 2 to PERS 3 between September 1, 2002, and June 1, 2003, and who earn service credit in February 2003, receive a 111 percent transfer payment. Transfer payments will be made June 1, 2003.

Summary of Amended Bill:

State and higher education employees who transfer from PERS 2 to PERS 3 must establish service credit for June 2002 to qualify for the transfer payment associated with transferring to PERS 3. Employees of other organizations who are PERS employers must establish service credit for either June 2002 or February 2003 to qualify for the transfer payment associated with transferring to PERS 3.

Appropriation: None.

Fiscal Note: Available.

Effective Date of Amended Bill: Ninety days after adjournment of session in which bill is passed.

Testimony For: This is a good bill, but it should be amended to allow people to qualify for the transfer payment if they receive service credit in June. That way, if positions are subject to reductions in force effective in July, those employees will still be able to transfer to PERS 3 and receive the transfer payment.

Testimony Against: None.

Testified: Lynn McKinnon, Washington Public Employees Association.
