***Hearing Date:*** 2/21/01

***Background:***

*Washington's major business tax is the business and occupation (B&O) tax. This tax is imposed on the gross receipts of business activities conducted within the state. Nonprofit organizations pay B&O tax unless specifically exempted by statute. Exemption from federal income tax does not automatically provide exemption from state taxes.*

*Specific B&O exemptions, covering all or most income, exist for several types of nonprofit organizations. The eligibility conditions vary for each exemption. The exemptions include: nonprofit agricultural fairs, nonprofit church day care, bazaars and rummage sales, fund-raising auctions, nonprofit student loan agencies, nonprofit consumer debt counseling organizations, nonprofit fraternal organization for premiums for death benefits, the Red Cross, sheltered workshops, youth organizations for membership fees and certain service fees, trade shows, kidney dialysis facilities, health or social welfare organizations, nonprofit artistic and cultural organizations, and public safety standards and testing organizations.*

*However, the B&O tax deduction for nonprofit organizations or local government jurisdictions for the support of health or social welfare programs is provided only for*

*payments made directly by federal, state, or local governments. The deduction does not extend to amounts received under an employee benefit plan.*

***Summary of Bill:***

*Nonprofit health or social welfare organizations are exempt from business and occupation tax on payments received from the federal government for providing military personnel and their dependents medical and dental services.*

*The exemption applies to taxes collected after the effective date of the bill, including amounts from reporting periods before the effective date of the bill.*

***Appropriation:*** *None.*

***Fiscal Note:*** *Requested on February 12, 2001.*

***Effective Date:*** *The bill contains an emergency clause and takes effect immediately.*
