
Health Care Committee

HB 2690

Brief Description: Providing emergency contraception to sexual assault victims.

Sponsors: Representatives Schual-Berke, Cody, Kirby, Upthegrove, Tokuda, Chase, Nixon, Hankins, Ogden, Hunt, Romero, Santos, Lantz, Lysen, Darneille, Simpson, Rockefeller, Kagi, McDermott and Ruderman.

Brief Summary of Bill

- Hospitals are required to provide victims of sexual assault with information about emergency contraception, inform them of their option to receive it, and if not contraindicated, immediately provide it, if requested.

Hearing Date: 2/5/02

Staff: Dave Knutson (786-7146).

Background:

When victims of sexual assault are treated in hospital emergency rooms, there is no requirement that they be notified of the availability of emergency contraception. There is also no statutory requirement that hospitals provide emergency contraception, if requested by the victim of a sexual assault.

Summary of Bill:

Every hospital providing emergency care to a victim of sexual assault is required to inform the person about emergency contraception, and their right to receive it. Unless it is contraindicated, the hospital is required to provide emergency contraception, if requested by the victim of a sexual assault. The secretary of the department of health is required to develop informational material on emergency contraception and disseminate it to every emergency room in the state. The department of health is required to respond to complaints of violations of the statute related to the use of emergency contraception. The department of health will establish an advisory committee to monitor compliance with the statutory requirements related to the use of emergency contraception.

Appropriation: None.

Fiscal Note: Not Requested.

Effective Date: Ninety days after adjournment of session in which bill is passed.
