HOUSE COMMITTEE ON APPROPRIATIONS

Majority Report: Do pass. Signed by 22 members: Representatives Sommers, Chair; Doumit, 1st Vice Chair; Fromhold, 2nd Vice Chair; Sehlin, Ranking Minority Member; Alexander, Buck, Clements, Cox, Dunshee, Grant, Kagi, Kenney, Kessler, Linville, Lisk, Mastin, McIntire, Pearson, Pflug, Ruderman, Schual-Berke and Talcott.

Background:

The statutes creating the retirement system Plan 1 (LEOFF 1) provide for the creation of

city and county disability boards. These boards rule on claims for disability retirement for LEOFF 1 members, designate which medical services are available to LEOFF 1 retirees, and may require a LEOFF 1 retiree who seeks payment for medical services to submit to a medical exam.

Each city with a population of 20,000 or more has a LEOFF 1 disability board. Each county has a disability board with five members. The county board has jurisdiction over LEOFF 1 members who are not employed by a city that has its own disability board. Under current law, one of the members of the county board must be a member of the legislative body of a city or town that does not have its own board. This member must be chosen by a majority of the mayors of the affected cities or towns within the county.

Representatives on the disability boards are not required to be LEOFF 1 members. Given the growing proportion of the Law Enforcement Officers' and Fire Fighters' Plan 2 (LEOFF 2) members, the membership of many LEOFF 1 disability boards has become increasingly dominated by LEOFF 2 members.

Summary of Bill:

LEOFF Plan 2 members may continue to serve on LEOFF 1 disability boards, but they must be elected by the LEOFF 1 members who are subject to the jurisdiction of that board.
