Background: The 2000 Legislature divided the main "sentences" statute in the Sentencing Reform Act into 42 separate sections. These revisions take effect on July 1, 2001. The Code Reviser was directed to prepare a bill for the 2001 session that incorporated all other amendments to the Sentencing Reform Act that did not conform.

Summary of Bill: The Legislature intends to incorporate amendments made to the Sentencing Reform Act that did not take cognizance of the year 2000 reorganization of the act. The Legislature does not intend to make any substantive change to the Sentencing Reform Act. Various statutes are amended to incorporate year 2000 amendments into the reorganization of the Sentencing Reform Act. The Code Reviser must recodify sections in Chapter 9.94A RCW as needed to simplify the chapter.

Effective Date: The bill takes effect on July 1, 2001.
