Background: Special motor vehicle license plates are those plates containing a unique design recognizing a particular organization or membership in a particular group. Some of these special plates are used to raise money for particular causes and others are used to honor residents of the state for particular activities.

The fair fund is used to assist several different kinds of fairs (area fairs, county and district fairs, community fairs, and youth fairs) around the state. Only the Director of Agriculture may authorize expenditures from the fund.

Summary of Substitute Bill: A special fair license plate series is established. The license plate is available beginning January 1, 2002. The charge is \$40 initially and \$30 for each renewal. Monies raised from the issuance of these plates are credited to the fair fund.

Substitute Bill Compared to Original Bill: A start date of January 1, 2002, for initial applications and January 1, 2003, for plate renewals are added.

Appropriation: None.

Fiscal Note: Requested on February 19, 2001.

Effective Date: Ninety days after adjournment of session in which bill is passed.
