### SENATE COMMITTEE ON EDUCATION

**Majority Report:** That Substitute Senate Bill No. 6389 be substituted therefor, and the substitute bill do pass.

Signed by Senators McAuliffe, Chair; Eide, Vice Chair; Carlson, Finkbeiner, Hochstatter, Johnson, Kastama, Kohl-Welles, Rasmussen, Regala and Zarelli.

**Staff:** Susan Mielke (786-7422)

**Background:** Currently, the Superintendent of Public Instruction (SPI) has the authority to adopt and enforce rules governing the marking of school buses. Current rules specify the color and limit the signs and markings that may be on the exterior and interior of school buses.

**Summary of Substitute Bill:** The SPI must adopt rules which permit the display of the United States flag on all school buses. The rules must address the size and placement of the flag so that it does not interfere with the safe operation of the school bus.

**Substitute Bill Compared to Original Bill:** The substitute bill clarifies that it is school districts that are not prohibited from placing or displaying the flag on school buses.

**Appropriation:** None.

**Fiscal Note:** Not requested.

**Effective Date:** Ninety days after adjournment of session in which bill is passed.

**Testimony For:** Current SPI rules prohibit bus drivers from showing their loyalty to patriotism by flying a United States flag on their school bus antenna. This bill would give clear authority to SPI to permit the display of a flag on a school bus in a way that does not

impair the vision of the driver. Display of the flag would be permissive“school districts would not be required to display the flag on a bus.

**Testimony Against:** None.

**Testified:** PRO: Senator Don Benton (prime sponsor); Jim Richardson (PSE).
