9 a form to be approved by the department. The bond shall be continuous  
10 and may be canceled by the surety upon the surety giving written notice  
11 to the director (~~of its intent to cancel the bond~~). A cancellation  
12 or revocation of the bond or withdrawal of the surety from the bond  
13 automatically suspends the registration issued to the registrant until  
14 a new bond or reinstatement notice has been filed and approved as  
15 provided in this section. The bond shall be conditioned that the  
16 applicant will pay all persons performing labor, including employee  
17 benefits, for the contractor, will pay all taxes and contributions due  
18 to the state of Washington, and will pay all persons furnishing labor

20 will pay all amounts that may be adjudged against the contractor by  
21 reason of breach of contract including negligent or improper work in  
22 the conduct of the contracting business. A change in the name of a  
23 business or a change in the type of business entity shall not impair a  
24 bond for the purposes of this section so long as one of the original  
25 applicants for such bond maintains partial ownership in the business  
26 covered by the bond.

27 (2) (~~Any contractor registered as of July 1, 1997, who maintains~~  
28 ~~such registration in accordance with this chapter shall be in~~  
29 ~~compliance with this chapter until the next annual renewal of the~~  
30 ~~contractor's certificate of registration. At that time~~) At the time  
31 of initial registration or renewal, the contractor shall provide a  
32 bond(~~(, cash deposit,)~~) or other security deposit as required by this  
33 chapter and comply with all of the other provisions of this chapter  
34 before the department shall issue or renew the contractor's certificate  
35 of registration. Any contractor registered as of July 1, 2001, who  
36 maintains that registration in accordance with this chapter is in  
37 compliance with this chapter until the next renewal of the contractor's  
38 certificate of registration.

1       (3) The total amount paid from a bond or deposit required by this  
2 section to claimants other than residential homeowners must not exceed  
3 in the aggregate seven thousand five hundred dollars if provided by a  
4 general contractor and four thousand dollars if provided by a specialty  
5 contractor.

6       (4) Any person, firm, or corporation having a claim against the  
7 contractor for any of the items referred to in this section may bring  
8 suit upon the bond or deposit in ~~((the superior))~~ a court of competent  
9 jurisdiction of the county in which the work was done or of any county  
10 in which jurisdiction of the contractor may be had. The surety issuing  
11 the bond shall be named as a party to any suit upon the bond. Action  
12 upon the bond or deposit ~~((shall be commenced by filing the summons and~~  
13 ~~complaint with the clerk of the appropriate superior court within one~~  
14 ~~year from the date of expiration of the certificate of registration in~~  
15 ~~force at the time))~~ brought by a residential homeowner for breach of  
16 contract by a party to the construction contract shall be commenced by  
17 filing the summons and complaint with the clerk of the appropriate  
18 court of competent jurisdiction within two years from the date of  
19 expiration of the certificate of registration in force at the time.  
20 Action upon the bond or deposit brought by any other authorized party  
21 shall be commenced by filing the summons and complaint with the clerk  
22 of the appropriate court of competent jurisdiction within one year from  
23 the date the claimed labor was performed and benefits accrued, taxes  
24 and contributions owing the state of Washington became due, materials  
25 and equipment were furnished, ~~((or))~~ the claimed contract work was  
26 completed, or abandoned. Service of process in an action against the  
27 contractor, the contractor's bond, or the deposit shall be exclusively  
28 by service upon the department. Three copies of the summons and  
29 complaint and a fee ~~((of))~~ adopted by rule of not less than ten dollars  
30 to cover the ~~((handling))~~ costs shall be served by registered or  
31 certified mail upon the department at the time suit is started and the  
32 department shall maintain a record, available for public inspection, of  
33 all suits so commenced. Service is not complete until the department  
34 receives the ~~((ten-dollar))~~ fee and three copies of the summons and  
35 complaint. The service shall constitute service on the registrant and  
36 the surety for suit upon the bond or deposit and the department shall  
37 transmit the summons and complaint or a copy thereof to the registrant  
38 at the address listed in the registrant's application and to the surety  
39 within forty-eight hours after it shall have been received.

1       (~~(4)~~) (5) The surety upon the bond shall not be liable in an  
2 aggregate amount in excess of the amount named in the bond nor for any  
3 monetary penalty assessed pursuant to this chapter for an infraction.  
4 The liability of the surety shall not cumulate where the bond has been  
5 renewed, continued, reinstated, reissued or otherwise extended. The  
6 surety upon the bond may, upon notice to the department and the  
7 parties, tender to the clerk of the court having jurisdiction of the  
8 action an amount equal to the claims thereunder or the amount of the  
9 bond less the amount of judgments, if any, previously satisfied  
10 therefrom and to the extent of such tender the surety upon the bond  
11 shall be exonerated but if the actions commenced and pending at any one  
12 time exceed the amount of the bond then unimpaired, claims shall be  
13 satisfied from the bond in the following order:

14       (a) Employee labor and claims of laborers, including employee  
15 benefits;

16       (b) Claims for breach of contract by a party to the construction  
17 contract;

18       (c) Registered or licensed subcontractors, material, and equipment;

19       (d) Taxes and contributions due the state of Washington;

20       (e) Any court costs, interest, and attorney's fees plaintiff may be  
21 entitled to recover. The surety is not liable for any amount in excess  
22 of the penal limit of its bond.

23       A payment made by the surety in good faith exonerates the bond to  
24 the extent of any payment made by the surety.

25       (~~(5)~~) (6) If a final judgment impairs the liability of the surety  
26 upon the bond so furnished that there (~~(shall not be)~~) is not in effect  
27 a bond (~~(undertaking)~~) in the full amount prescribed in this section,  
28 (~~(the department shall suspend)~~) the registration of the contractor is  
29 automatically suspended until the bond liability in the required amount  
30 unimpaired by unsatisfied judgment claims is furnished. (~~(If the bond~~  
31 ~~becomes fully impaired, a new bond must be furnished at the rates~~  
32 ~~prescribed by this section.~~

33       (~~(6)~~) (7) In lieu of the surety bond required by this section the  
34 contractor may file with the department a deposit consisting of cash or  
35 other security acceptable to the department.

36       (~~(7)~~) (8) Any person having filed and served a summons and  
37 complaint as required by this section having an unsatisfied final  
38 judgment against the registrant for any items referred to in this  
39 section may execute upon the security held by the department by serving

1 a certified copy of the unsatisfied final judgment by registered or  
2 certified mail upon the department within one year of the date of entry  
3 of such judgment. Upon the receipt of service of such certified copy  
4 the department shall pay or order paid from the deposit, through the  
5 registry of (~~the superior~~) a court of competent jurisdiction which  
6 rendered judgment, towards the amount of the unsatisfied judgment. The  
7 priority of payment by the department shall be the order of receipt by  
8 the department, but the department shall have no liability for payment  
9 in excess of the amount of the deposit.

10 (~~(8)~~) (9) The director may require an applicant applying to renew  
11 or reinstate a registration or applying for a new registration to file  
12 a bond of up to five times the normally required amount, up to seventy-  
13 five thousand dollars for general contractors or forty thousand dollars  
14 for specialty contractors, if the director determines that an  
15 applicant, or a previous registration of a corporate officer, owner, or  
16 partner of a current applicant, has:

17 (a) A history of unpaid judgments in actions based on this chapter  
18 involving a residential owner of a single-family dwelling and  
19 consisting of two or more unpaid judgments for longer than thirty days  
20 following the date of entry of the judgment by the court;

21 (b) Three or more judgments in actions based on this chapter on  
22 three or more different structures by three or more different owner  
23 claimants; or

24 (c) Five or more actions open at one time.

26 administration of the security.

27 **Sec. 4.** RCW 18.27.050 and 1987 c 303 s 1 are each amended to read  
28 as follows:

29 (1) At the time of registration and subsequent reregistration, the  
30 applicant shall furnish insurance or financial responsibility in the  
31 form of an assigned account in the amount of (~~twenty~~) fifty thousand  
32 dollars for injury or damages to property, and (~~fifty~~) one hundred  
33 thousand dollars for injury or damage including death to any one  
34 person, and (~~one~~) two hundred thousand dollars for injury or damage  
35 including death to more than one person (~~or financial responsibility~~  
36 ~~to satisfy these amounts~~)).

37 (2) (~~Failure to maintain insurance or financial responsibility~~  
38 ~~relative to the contractor's activities shall be cause to suspend or~~

1 ~~deny the contractor his or her or their registration.))~~ An expiration,  
2 cancellation, or revocation of the insurance policy or withdrawal of  
3 the insurer from the insurance policy automatically suspends the  
4 registration issued to the registrant until a new insurance policy or  
5 reinstatement notice has been filed and approved as provided in this  
6 section.

7 (3)(a) Proof of financial responsibility authorized in this section  
8 may be given by providing, in the amount required by subsection (1) of  
9 this section, an assigned account acceptable to the department. The  
10 assigned account shall be held by the department to satisfy any  
11 execution on a judgment issued against the contractor for damage to  
12 property or injury or death to any person occurring in the contractor's  
13 contracting operations, according to the provisions of the assigned  
14 account agreement. The department shall have no liability for payment  
15 in excess of the amount of the assigned account.

16 (b) The assigned account filed with the director as proof of  
17 financial responsibility shall be canceled at the expiration of three  
18 years after:

19 (i) The contractor's registration has expired or been revoked; or

20 (ii) The contractor has furnished proof of insurance as required by  
21 subsection (1) of this section;

22 if, in either case, no legal action has been instituted against the  
23 contractor or on the account at the expiration of the three-year  
24 period.

25 (c) If a contractor chooses to file an assigned account as  
26 authorized in this section, the contractor shall, on any contracting  
27 project, notify each person with whom the contractor enters into a  
28 contract or to whom the contractor submits a bid that the contractor  
29 has filed an assigned account in lieu of insurance and that recovery  
30 from the account for any claim against the contractor for property  
31 damage or personal injury or death occurring in the project requires  
32 the claimant to obtain a court judgment.

33 **Sec. 5.** RCW 18.27.060 and 1997 c 314 s 6 and 1997 c 58 s 817 are  
34 each reenacted and amended to read as follows:

35 (1) A certificate of registration shall be valid for ~~((one))~~ two  
36 years and shall be renewed on or before the expiration date. The  
37 department shall issue to the applicant a certificate of registration  
38 upon compliance with the registration requirements of this chapter.

1 (2) If the department approves an application, it shall issue a  
2 certificate of registration to the applicant. (~~The certificate shall~~  
3 ~~be valid for:~~

4 ~~(a) One year;~~

5 ~~(b) Until the bond expires; or~~

6 ~~(c) Until the insurance expires, whichever comes first. The~~  
7 ~~department shall place the expiration date on the certificate.~~

8 ~~(3) A contractor may supply a short term bond or insurance policy~~  
9 ~~to bring its registration period to the full one year.~~

10 ~~(4))~~ (3) If a contractor's surety bond or other security has an  
11 unsatisfied judgment against it or is canceled, or if the contractor's  
12 insurance policy is canceled, the contractor's registration shall be  
13 automatically suspended on the effective date of the impairment or  
14 cancellation. The department shall mail notice of the suspension to  
15 the contractor's address on the certificate of registration by  
16 certified and by first class mail within forty-eight hours after  
17 suspension.

18 ~~((+5))~~ (4) Renewal of registration is valid on the date the  
19 department receives the required fee and proof of bond and liability  
20 insurance, if sent by certified mail or other means requiring proof of  
21 delivery. The receipt or proof of delivery shall serve as the  
22 contractor's proof of renewed registration until he or she receives  
23 verification from the department.

24 ~~((+6))~~ (5) The department shall immediately suspend the  
25 certificate of registration of a contractor who has been certified by  
26 the department of social and health services as a person who is not in  
27 compliance with a support order or a residential or visitation order as  
28 provided in RCW 74.20A.320. The certificate of registration shall not  
29 be reissued or renewed unless the person provides to the department a  
30 release from the department of social and health services stating that  
31 he or she is in compliance with the order and the person has continued  
32 to meet all other requirements for certification during the suspension.

33 NEW SECTION. **Sec. 6.** A new section is added to chapter 18.27 RCW  
34 to read as follows:

35 (1) If a contractor, whether registered or not, defaults in a  
36 payment, penalty, or fine due to the department, the director or the  
37 director's designee may issue a notice of assessment certifying the  
38 amount due. The notice must be served upon the contractor by mailing

1 the notice to the contractor by certified mail to the contractor's last  
2 known address or served in the manner prescribed for the service of a  
3 summons in a civil action.

4 (2) A notice of assessment becomes final thirty days from the date  
5 the notice was served upon the contractor unless a written request for  
6 reconsideration is filed with the department or an appeal is filed in  
7 a court of competent jurisdiction in the manner specified in RCW  
8 34.05.510 through 34.05.598. The request for reconsideration must set  
9 forth with particularity the reason for the contractor's request. The  
10 department, within thirty days after receiving a written request for  
11 reconsideration, may modify or reverse a notice of assessment, or may  
12 hold a notice of assessment in abeyance pending further investigation.  
13 If a final decision of a court in favor of the department is not  
14 appealed within the time allowed by law, then the amount of the  
15 unappealed assessment, or such amount of the assessment as is found due  
16 by the final decision of the court, is final.

17 (3) The director or the director's designee may file with the clerk  
18 of any county within the state a warrant in the amount of the notice of  
19 assessment. The clerk of the county in which the warrant is filed  
20 shall immediately designate a court of competent jurisdiction cause  
21 number for the warrant, and the clerk shall cause to be entered in the  
22 judgment docket under the court of competent jurisdiction cause number  
23 assigned to the warrant, the name of the contractor mentioned in the  
24 warrant, the amount of payment, penalty, or fine due on it, and the  
25 date when the warrant was filed. The aggregate amount of the warrant  
26 as docketed is a lien upon the title to, and interest in, all real and  
27 personal property of the contractor against whom the warrant is issued,  
28 the same as a judgment in a civil case docketed in the office of the  
29 clerk. The sheriff shall proceed upon the warrant in all respects and  
30 with like effect as prescribed by law with respect to execution or  
31 other process issued against rights or property upon judgment in a  
32 court of competent jurisdiction. The warrant so docketed is sufficient  
33 to support the issuance of writs of garnishment in favor of the state  
34 in a manner provided by law in case of judgment, wholly or partially  
35 unsatisfied. The clerk of the court is entitled to a filing fee which  
36 will be added to the amount of the warrant. The clerk of the court  
37 must mail a copy of the warrant to the contractor within three days of  
38 filing with the clerk.

1 (4) The director or the director's designee may issue to any  
2 person, firm, corporation, other entity, municipal corporation,  
3 political subdivision of the state, a public corporation, or any agency  
4 of the state, a notice and order to withhold and deliver property of  
5 any kind whatsoever when he or she has reason to believe that there is  
6 in the possession of the person, firm, corporation, other entity,  
7 municipal corporation, political subdivision of the state, public  
8 corporation, or agency of the state, property that is or will become  
9 due, owing, or belonging to a contractor upon whom a notice of  
10 assessment has been served by the department for payments, penalties,  
11 or fines due to the department. The effect of a notice and order is

14 becomes unenforceable because of lapse of time. The department shall  
15 release the notice and order when the liability out of which the notice

33 accordance with a final determination of a petition for review. In the  
34 alternative, the party shall furnish a good and sufficient surety bond  
35 satisfactory to the director conditioned upon final determination of  
36 liability. If a party served and named in the notice fails to answer  
37 the notice within the time prescribed in this section, the court may

11 is currently registered as required by law. When such verification is  
12 made, nothing contained in this section is intended to be, nor shall be  
13 construed to create, or form the basis for any liability under this  
14 chapter on the part of any city, town or county, or its officers,

27 subsection "received" means actual receipt of notice by personal  
28 service, or registered or certified mail, or three days after mailing

24 and Industries, the firm sending you this notice, your lender, or your  
25 attorney.

26 COMMON METHODS TO AVOID CONSTRUCTION LIENS: There are several methods  
27 available to protect your property from construction liens. The  
28 following are two of the more commonly used methods.

29 DUAL PAYCHECKS (Joint Checks): When paying your contractor for  
30 services or materials, you may make checks payable jointly to  
31 the contractor and the firms furnishing you this notice.

32 LIEN RELEASES: You may require your contractor to provide lien

3 YOU SHOULD TAKE APPROPRIATE STEPS TO PROTECT YOUR PROPERTY FROM LIENS.  
4 YOUR PRIME CONTRACTOR AND YOUR CONSTRUCTION LENDER ARE REQUIRED BY LAW

18 (1) The director shall establish a construction contractor advisory  
19 committee.

33 department's current computer registration records as having been  
34 registered as an individual proprietor, partner, corporate officer, or  
35 limited liability company prior to July 1, 2002, and that the business  
36 has been inactive with the department for twelve months or less; or

27 total experience either teaching adults or working in the instructor's  
28 subject area or a combination of the two, including the submission of  
29 instructor resumes or work history summaries.
