
HOUSE BILL 2247

State of Washington 57th Legislature 2001 Regular Session

By Representatives Crouse, Poulsen and Edwards

Read first time . Referred to Committee on .

1 AN ACT Relating to the management of state energy supply and
2 demand; and creating a new section.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** The legislature finds that:

5 (1) A sufficient, reliable, and affordable supply of energy is
6 critically important to the health and welfare of the citizens of the
7 state and to the prosperity of the state and region; and

8 (2) The state is experiencing dramatic increases in the costs of
9 electricity and natural gas as a result of many factors out of the
10 state's direct control, and these unprecedented price increases have a
11 disproportionate impact on the low-income citizens of the state.
