State of Washington

57th Legislature

2002 Regular Session

By Representatives Schual-Berke, Upthegrove, Lovick, Lysen, Kagi and McDermott

Read first time 01/23/2002. Referred to Committee on Transportation.

1 AN ACT Relating to transporting hazardous material; and adding a
2 new section to chapter 70.105D RCW.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** A new section is added to chapter 70.105D
5 RCW to read as follows:

6 (1) A truck transporting soil, sediment, or waste materials
7 containing hazardous substances above natural background at the
8 facility where a remedial action is occurring must be covered so as to
9 prevent accidental spillage onto any private or public property that is
10 not part of the facility if the facility will be removing over ten
11 million cubic yards of soil, sediment, or waste materials as part of a
12 remedial action under this chapter.

13 (2) Any settlement under RCW 70.105D.040(4), order or agreed order
14 under RCW 70.105D.050, or order or permit issued under chapter 70.105
15 RCW for a remedial action that involves the removal of over ten million
16 cubic yards of soil, sediment, or waste material from a facility must
17 require that any trucks removing material from the facility be covered

1 so as to prevent accidental spillage onto any private or public
2 property that is not part of the facility.
