3 a new section to chapter 43.160 RCW; creating a new section; and
4 providing an expiration date.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** The legislature finds that the community
7 economic revitalization board plays a valuable and unique role in
8 stimulating and diversifying local economies, attracting private
9 investment, creating new jobs, and generating additional state and
10 local tax revenues by investing in public facilities projects that
11 result in new or expanded economic development. The legislature also
12 finds that it is in the best interest of the state and local
13 communities to secure a stable and dedicated source of funds for the
14 community economic revitalization board. It is the intent of the
15 legislature to establish an ongoing funding source for the community
16 economic revitalization board that will be used exclusively to advance
17 economic development infrastructure. This act provides a temporary
18 funding source until such time as a more permanent funding solution can

1 be established. These funds are not for use other than for the stated
2 purpose and goals of the community economic revitalization board.

18 **Sec. 4.** RCW 43.160.060 and 1999 c 164 s 103 are each amended to
19 read as follows:

20 The board is authorized to make direct loans to political
21 subdivisions of the state for the purposes of assisting the political
22 subdivisions in financing the cost of public facilities, including
23 development of land and improvements for public facilities, project-
24 specific environmental, capital facilities, land use, permitting,
25 feasibility(~~(+)~~), and marketing studies and plans; project design,
26 site planning, and analysis; project debt and revenue impact analysis;
27 as well as the construction, rehabilitation, alteration, expansion, or
28 improvement of the facilities. A grant may also be authorized for
29 purposes designated in this chapter, but only when, and to the extent
30 that, a loan is not reasonably possible, given the limited resources of
31 the political subdivision and the finding by the board that financial
32 circumstances require grant assistance to enable the project to move
33 forward. However, at least ten percent of all financial assistance
34 provided by the board in any biennium shall consist of grants to
35 political subdivisions.

1 Application for funds shall be made in the form and manner as the
2 board may prescribe. In making grants or loans the board shall conform
3 to the following requirements:

4 (1) The board shall not provide financial assistance:

5 (a) For a project the primary purpose of which is to facilitate or
6 promote a retail shopping development or expansion.

7 (b) For any project that evidence exists would result in a
8 development or expansion that would displace existing jobs in any other
9 community in the state.

10 (c) For the acquisition of real property, including buildings and
11 other fixtures which are a part of real property.

12 (2) The board shall only provide financial assistance:

13 (a) For those projects which would result in specific private
14 developments or expansions (i) in manufacturing, production, food
15 processing, assembly, warehousing, advanced technology, research and
16 development, and industrial distribution; (ii) for processing
17 recyclable materials or for facilities that support recycling,
18 including processes not currently provided in the state, including but
19 not limited to, de-inking facilities, mixed waste paper, plastics, yard
20 waste, and problem-waste processing; (iii) for manufacturing facilities
21 that rely significantly on recyclable materials, including but not
22 limited to waste tires and mixed waste paper; (iv) which support the
23 relocation of businesses from nondistressed urban areas to rural
24 counties or rural natural resources impact areas; or (v) which
25 substantially support the trading of goods or services outside of the
26 state's borders.

27 (b) For projects which it finds will improve the opportunities for
28 the successful maintenance, establishment, or expansion of industrial
29 or commercial plants or will otherwise assist in the creation or
30 retention of long-term economic opportunities.

31 (c) When the application includes convincing evidence that a
32 specific private development or expansion is ready to occur and will
33 occur only if the public facility improvement is made.

34 (3) The board shall prioritize each proposed project according to:

35 (a) The relative benefits provided to the community by the jobs the
36 project would create, not just the total number of jobs it would create
37 after the project is completed and according to the unemployment rate
38 in the area in which the jobs would be located; and

1 (b) The rate of return of the state's investment, that includes the
2 expected increase in state and local tax revenues associated with the
3 project.

4 (4) A responsible official of the political subdivision shall be
5 present during board deliberations and provide information that the
6 board requests.

7 Before any financial assistance application is approved, the
8 political subdivision seeking the assistance must demonstrate to the
9 community economic revitalization board that no other timely source of
10 funding is available to it at costs reasonably similar to financing
11 available from the community economic revitalization board.
