3 43.43.260, 43.43.270, 43.43.274, 43.43.278, and 41.45.060; adding new
4 sections to chapter 43.43 RCW; adding a new section to chapter 41.45
5 RCW; repealing RCW 43.43.272, 43.43.276, and 43.43.300; providing an

7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

8 **Sec. 1.** RCW 43.43.040 and 1998 c 194 s 1 are each amended to read
9 as follows:

10 (1) The chief of the Washington state patrol shall relieve from
11 active duty Washington state patrol officers who, while in the
12 performance of their official duties, or while on standby or available
13 for duty, have been or hereafter may be injured or incapacitated to
14 such an extent as to be mentally or physically incapable of active
15 service: PROVIDED, That:

16 (a) Any officer disabled while performing line duty who is found by
17 the chief to be physically incapacitated shall be placed on disability
18 leave for a period not to exceed six months from the date of injury or
19 the date incapacitated. During this period, the officer shall be

1 entitled to all pay, benefits, insurance, leave, and retirement
2 contributions awarded to an officer on active status, less any
3 compensation received through the department of labor and industries.
4 No such disability leave shall be approved until an officer has been
5 unavailable for duty for more than forty consecutive work hours. Prior
6 to the end of the six-month period, the chief shall either place the
7 officer on disability status or return the officer to active status.

8 For the purposes of this section, "line duty" is active service
9 which encompasses the traffic law enforcement duties and/or other law
10 enforcement responsibilities of the state patrol. These activities
11 encompass all enforcement practices of the laws, accident and criminal
12 investigations, or actions requiring physical exertion or exposure to
13 hazardous elements.

14 The chief shall define by rule the situations where a disability
15 has occurred during line duty;

16 (b) Benefits under this section for a disability that is incurred
17 while in other employment will be reduced by any amount the officer
18 receives or is entitled to receive from workers' compensation, social
19 security, group insurance, other pension plan, or any other similar
20 source provided by another employer on account of the same disability;

21 (c) An officer injured while engaged in willfully tortious or
22 criminal conduct shall not be entitled to disability benefits under
23 this section; and

24 (d) For members commissioned prior to January 1, 2003, should a
25 disability beneficiary whose disability was not incurred in line of
26 duty, prior to attaining age fifty, engage in a gainful occupation, the
27 chief shall reduce the amount of his retirement allowance to an amount
28 which when added to the compensation earned by him in such occupation
29 shall not exceed the basic salary currently being paid for the rank the
30 retired officer held at the time he was disabled. All such disability
31 beneficiaries under age fifty shall file with the chief every six
32 months a signed and sworn statement of earnings and any person who
33 shall knowingly swear falsely on such statement shall be subject to
34 prosecution for perjury. Should the earning capacity of such
35 beneficiary be further altered, the chief may further alter his
36 disability retirement allowance as indicated above. The failure of any
37 officer to file the required statement of earnings shall be cause for
38 cancellation of retirement benefits.

1 (2) (~~Officers~~) (a) Members commissioned prior to January 1, 2003,
2 on disability status shall receive one-half of their compensation at
3 the existing wage, during the time the disability continues in effect,
4 less any compensation received through the department of labor and
5 industries. They shall be subject to mental or physical examination at
6 any state institution or otherwise under the direction of the chief of
7 the patrol at any time during such relief from duty to ascertain
8 whether or not they are able to resume active duty.

9 (b) Members commissioned on or after January 1, 2003, on disability
10 status as a result of a line duty disability shall receive a line duty
11 disability allowance of one-half of their compensation at the existing
12 wage, during the time the disability continues in effect, less any
13 compensation received through the department of labor and industries,
14 and any retirement allowance under section 2 of this act. They shall
15 be subject to such comprehensive medical examinations as required by
16 the chief of the patrol at any time during such relief from duty. If
17 these medical examinations reveal that a member has recovered from the
18 incapacitating disability and the member is offered reemployment by the
19 chief at a comparable compensation, the member shall cease to be
20 eligible for this line duty disability allowance.

21 NEW SECTION. Sec. 2. (1) A member of the retirement system
22 commissioned on or after January 1, 2003, who becomes totally
23 incapacitated for continued employment by an employer as determined by
24 the department upon recommendation of the department shall be eligible
25 to receive an allowance under RCW 43.43.260. The member shall receive
26 a monthly disability allowance computed as provided for in RCW
27 43.43.260 and shall have this allowance actuarially reduced to reflect
28 the difference in the number of years between age at disability and the
29 attainment of age fifty-five or from when the member could have
30 attained twenty-five years of service, whichever is less.

31 Any member who receives an allowance under the provisions of this
32 section shall be subject to comprehensive medical examinations as
33 required by the department. If these medical examinations reveal that
34 a member has recovered from the incapacitating disability and the
35 member is offered reemployment by the chief at a comparable
36 compensation, the member shall cease to be eligible for the allowance.

37 (2) If the recipient of a monthly retirement allowance under this
38 section dies before the total of the retirement allowance paid to the

1 recipient equals the amount of the accumulated contributions at the
2 date of retirement, then the balance shall be paid to the member's
3 estate, or the person or persons, trust, or organization as the
4 recipient has nominated by written designation duly executed and filed
5 with the director, or if there is no designated person or persons still
6 living at the time of the recipient's death, then to the surviving
7 spouse, or if there is no designated person or persons still living at
8 the time of his or her death nor a surviving spouse, then to his or her
9 legal representative.

NEW SECTION.

Sec. 5.

(1) A member commissioned on or after January 1, 2003, upon retirement for service as prescribed in RCW 43.43.250 or disability retirement under RCW 43.43.040, shall elect to have the retirement allowance paid pursuant to the following options, calculated so as to be actuarially equivalent to each other.

(a) Standard allowance. A member electing this option shall receive a retirement allowance payable throughout the member's life. However, if the retiree dies before the total of the retirement allowance paid to the retiree equals the amount of the retiree's accumulated contributions at the time of retirement, then the balance shall be paid to the member's estate, or such person or persons, trust, or organization as the retiree shall have nominated by written designation duly executed and filed with the department; or if there be no such designated person or persons still living at the time of the retiree's death, then to the surviving spouse; or if there be neither such designated person or persons still living at the time of death nor a surviving spouse, then to the retiree's legal representative.

(b) The department shall adopt rules that allow a member to select a retirement option that pays the member a reduced retirement allowance and upon death, such portion of the member's reduced retirement allowance as the department by rule designates shall be continued throughout the life of and paid to a designated person. Such person shall be nominated by the member by written designation duly executed and filed with the department at the time of retirement. The options adopted by the department shall include, but are not limited to, a joint and one hundred percent survivor option and a joint and fifty percent survivor option.

(2)(a) A member, if married, must provide the written consent of his or her spouse to the option selected under this section, except as provided in (b) of this subsection. If a member is married and both the member and member's spouse do not give written consent to an option under this section, the department will pay the member a joint and fifty percent survivor benefit and record the member's spouse as the beneficiary. This benefit shall be calculated to be actuarially equivalent to the benefit options available under subsection (1) of this section unless spousal consent is not required as provided in (b) of this subsection.

1 (b) If a copy of a dissolution order designating a survivor
2 beneficiary under RCW 41.50.790 has been filed with the department at
3 least thirty days prior to a member's retirement:

4 (i) The department shall honor the designation as if made by the
5 member under subsection (1) of this section; and

6 (ii) The spousal consent provisions of (a) of this subsection do
7 not apply.

8 (3) No later than January 1, 2003, the department shall adopt rules
9 that allow a member additional actuarially equivalent survivor benefit
10 options, and shall include, but are not limited to:

11 (a)(i) A retired member who retired without designating a survivor
12 beneficiary shall have the opportunity to designate their spouse from
13 a postretirement marriage as a survivor during a one-year period
14 beginning one year after the date of the postretirement marriage
15 provided the retirement allowance payable to the retiree is not subject
16 to periodic payments pursuant to a property division obligation as
17 provided for in RCW 41.50.670.

18 (ii) A member who entered into a postretirement marriage prior to
19 the effective date of the rules adopted pursuant to this subsection and
20 satisfies the conditions of (a)(i) of this subsection shall have one
21 year to designate their spouse as a survivor beneficiary following the
22 adoption of the rules.

23 (b) A retired member who elected to receive a reduced retirement
24 allowance under this section and designated a nonspouse as survivor
25 beneficiary shall have the opportunity to remove the survivor
26 designation and have their future benefit adjusted.

27 (c) The department may make an additional charge, if necessary, to
28 ensure that the benefits provided under this subsection remain
29 actuarially equivalent.

30 **Sec. 6.** RCW 43.43.270 and 1989 c 108 s 1 are each amended to read
31 as follows:

2 member or fifty percent of the final average salary used in computing
3 the member's retirement allowance, whichever is less. The allowance
4 paid to the lawful spouse shall continue as long as the spouse lives:
5 PROVIDED, That if a surviving spouse who is receiving benefits under

8 to receive the higher of the two survivors' allowances for which
9 eligibility requirements were met, but a surviving spouse shall not
10 receive more than one survivor's allowance from this system at the same
11 time under this subsection. To be eligible for an allowance the lawful

13 member prior to the member's retirement and continuously thereafter
14 until the date of the member's death or shall have been married to the
15 retired member at least two years prior to the member's death.

18 eighteen years shall be provided for in the following manner:

19 (a) If there is a surviving spouse, each child shall be entitled to
20 a benefit equal to five percent of the final average salary of the
21 member or retired member. The combined benefits to the surviving
22 spouse and all children shall not exceed sixty percent of the final
23 average salary of the member or retired member; and

24 (b) If there is no surviving spouse or the spouse should die, the
25 child or children shall be entitled to a benefit equal to thirty

28 combined benefits to the children under this subsection shall not
29 exceed sixty percent of the final average salary of the member or
30 retired member. Payments under this subsection shall be prorated
31 equally among the children, if more than one.

32 (4) If a member should die in the line of duty while employed by
33 the Washington state patrol, the member's surviving children under the
34 age of twenty years and eleven months if attending any high school,
35 college, university, or vocational or other educational institution
36 accredited or approved by the state of Washington shall be provided for
37 in the following manner:

38 (a) If there is a surviving spouse, each child shall be entitled to
39 a benefit equal to five percent of the final average salary of the

1 member. The combined benefits to the surviving spouse and all children
2 shall not exceed sixty percent of the final average salary of the
3 member;

4 (b) If there is no surviving spouse or the spouse should die, the
5 unmarried child or children shall be entitled to receive a benefit
6 equal to thirty percent of the final average salary of the member or
7 retired member for one child and an additional ten percent for each
8 additional child. The combined benefits to the children under this
9 subsection shall not exceed sixty percent of the final average salary.
10 Payments under this subsection shall be prorated equally among the
11 children, if more than one; and

12 (c) If a beneficiary under this subsection reaches the age of
13 twenty-one years during the middle of a term of enrollment the benefit
14 shall continue until the end of that term.

15 (5) The provisions of this section shall apply to members who have
16 been retired on disability as provided in RCW 43.43.040 if the officer
17 was a member of the Washington state patrol retirement system at the

23 credit in the retirement system at the time of such member's death,

25 accumulated contributions pursuant to a court order filed under RCW
26 41.50.670, shall be paid to the member's estate, or such person or
27 persons, trust, or organization as the member shall have nominated by
28 written designation duly executed and filed with the department. If
29 there be no such designated person or persons still living at the time
30 of the member's death, such member's accumulated contributions standing
31 to such member's credit in the retirement system, less any amount
32 identified as owing to an obligee upon withdrawal of accumulated
33 contributions pursuant to a court order filed under RCW 41.50.670,

4 shall be paid to the member's surviving spouse as if in fact such
5 spouse had been nominated by written designation, or if there be no
6 such surviving spouse, then to such member's legal representatives.

7 (2) If a member who is eligible for retirement or a member who has
8 completed at least ten years of service dies, the surviving spouse or

14 actuarially adjusted to reflect a joint and one hundred percent
15 survivor option under RCW 43.43.278 and if the member was not eligible
16 for normal retirement at the date of death a further reduction from age
17 fifty-five or when the member could have attained twenty-five years of

21 to receive an allowance in an amount equal to that which was being
22 received by the surviving spouse, share and share alike, until such
23 child or children reach the age of majority; if there is no surviving
24 spouse eligible to receive an allowance at the time of the member's
