3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** The department of community, trade, and  
5 economic development was created in 1993 by dissolving the prior  
6 department of community development and the prior department of trade  
7 and economic development and transferring their responsibilities and  
8 authorities to that newly created department.

9 The purpose of this act is to effectively organize state efforts to  
10 address the community and economic development needs of the citizens of  
11 the state of Washington by restructuring the department of community,  
12 trade, and economic development into two separate agencies, the  
13 department of community development and the department of trade and  
14 economic development. The department of trade and economic development  
15 will consist of the existing divisions of economic development, energy  
16 policy, and international trade. The department of community  
17 development will consist of the existing divisions of housing,  
18 community services, and local government.

19 It is the intent of the legislature that the restructuring will  
20 allow each agency to: (1) Identify and develop a focused mission; (2)  
21 organize and deliver services in a manner that is responsive to current  
22 and future needs; and (3) effectively target resources to meet the  
23 identified mission and needs of the citizens of the state of Washington  
24 in the most efficient and effective manner.

16 (1) Each applicant for a building permit of a building

18 supply for the intended use of the building. Evidence may be in the  
19 form of a water right permit from the department of ecology, a letter  
20 from an approved water purveyor stating the ability to provide water,  
21 or another form sufficient to verify the existence of an adequate water  
22 supply. In addition to other authorities, the county or city may  
23 impose conditions on building permits requiring connection to an  
24 existing public water system where the existing system is willing and  
25 able to provide safe and reliable potable water to the applicant with  
26 reasonable economy and efficiency. An application for a water right  
27 shall not be sufficient proof of an adequate water supply.

28 (2) Within counties not required or not choosing to plan pursuant  
29 to RCW 36.70A.040, the county and the state may mutually determine  
30 those areas in the county in which the requirements of subsection (1)  
31 of this section shall not apply. The departments of health and ecology  
32 shall coordinate on the implementation of this section. Should the  
33 county and the state fail to mutually determine those areas to be  
34 designated pursuant to this subsection, the county may petition the  
35 department of community(~~(, trade, and economic)~~) development to mediate  
36 or, if necessary, make the determination.

37 (3) Buildings that do not need potable water facilities are exempt  
38 from the provisions of this section. The department of ecology, after

1 consultation with local governments, may adopt rules to implement this  
2 section, which may recognize differences between high-growth and low-  
3 growth counties.

4 **Sec. 303.** RCW 19.27.150 and 1995 c 399 s 10 are each amended to

7 bureau of the census' "report of building or zoning permits issued and  
8 local public construction" or equivalent report shall be transmitted by  
9 the governing bodies of counties and cities to the department of  
10 community(~~(, trade, and economic)~~) development.

11 **Sec. 304.** RCW 19.27.190 and 1996 c 186 s 501 are each amended to  
12 read as follows:

13 (1)(a) Not later than January 1, 1991, the state building code  
14 council, in consultation with the department of community(~~(, trade, and~~  
15 ~~economic)~~) development, shall establish interim requirements for the  
16 maintenance of indoor air quality in newly constructed residential  
17 buildings. In establishing the interim requirements, the council shall  
18 take into consideration differences in heating fuels and heating system  
19 types. These requirements shall be in effect July 1, 1991, through  
20 June 30, 1993.

21 (b) The interim requirements for new electrically space heated  
22 residential buildings shall include ventilation standards which provide  
23 for mechanical ventilation in areas of the residence where water vapor  
24 or cooking odors are produced. The ventilation shall be exhausted to  
25 the outside of the structure. The ventilation standards shall further  
26 provide for the capacity to supply outside air to each bedroom and the  
27 main living area through dedicated supply air inlet locations in walls,  
28 or in an equivalent manner. At least one exhaust fan in the home shall  
29 be controlled by a dehumidistat or clock timer to ensure that  
30 sufficient whole house ventilation is regularly provided as needed.

31 (c)(i) For new single family residences with electric space heating  
32 systems, zero lot line homes, each unit in a duplex, and each attached  
33 housing unit in a planned unit development, the ventilation standards  
34 shall include fifty cubic feet per minute of effective installed  
35 ventilation capacity in each bathroom and one hundred cubic feet per  
36 minute of effective installed ventilation capacity in each kitchen.

1 (ii) For other new residential units with electric space heating  
2 systems the ventilation standards may be satisfied by the installation  
3 of two exhaust fans with a combined effective installed ventilation  
4 capacity of two hundred cubic feet per minute.

5 (iii) Effective installed ventilation capacity means the capability  
6 to deliver the specified ventilation rates for the actual design of the  
7 ventilation system. Natural ventilation and infiltration shall not be  
8 considered acceptable substitutes for mechanical ventilation.

9 (d) For new residential buildings that are space heated with other  
10 than electric space heating systems, the interim standards shall be  
11 designed to result in indoor air quality equivalent to that achieved  
12 with the interim ventilation standards for electric space heated homes.

13 (e) The interim requirements for all newly constructed residential  
14 buildings shall include standards for indoor air quality pollutant  
15 source control, including the following requirements: All structural  
16 panel components of the residence shall comply with appropriate  
17 standards for the emission of formaldehyde; the back-drafting of  
18 combustion by-products from combustion appliances shall be minimized  
19 through the use of dampers, vents, outside combustion air sources, or  
20 other appropriate technologies; and, in areas of the state where  
21 monitored data indicate action is necessary to inhibit indoor radon gas  
22 concentrations from exceeding appropriate health standards, entry of  
23 radon gas into homes shall be minimized through appropriate foundation  
24 construction measures.

25 (2) No later than January 1, 1993, the state building code council,  
26 in consultation with the department of community(~~(, trade, and~~  
27 ~~economic~~)) development, shall establish final requirements for the  
28 maintenance of indoor air quality in newly constructed residences to be  
29 in effect beginning July 1, 1993. For new electrically space heated  
30 residential buildings, these requirements shall maintain indoor air  
31 quality equivalent to that provided by the mechanical ventilation and  
32 indoor air pollutant source control requirements included in the  
33 February 7, 1989, Bonneville power administration record of decision  
34 for the environmental impact statement on new energy efficient homes  
35 programs (DOE/EIS-0127F) built with electric space heating. In  
36 residential units other than single family, zero lot line, duplexes,  
37 and attached housing units in planned unit developments, ventilation  
38 requirements may be satisfied by the installation of two exhaust fans  
39 with a combined effective installed ventilation capacity of two hundred

1 cubic feet per minute. For new residential buildings that are space  
2 heated with other than electric space heating systems, the standards  
3 shall be designed to result in indoor air quality equivalent to that  
4 achieved with the ventilation and source control standards for electric  
5 space heated homes. In establishing the final requirements, the  
6 council shall take into consideration differences in heating fuels and  
7 heating system types.

18 where appropriate, (ii) the alternative means by which it will address

9 (b) Whether the rule is needed;

10 (c) Whether the rule conflicts with or duplicates other federal,  
11 state, or local laws;

13 purpose at less cost;

14 (e) Whether the rule applies differently to public and private  
15 entities;

22 provisions of law.

23 (5) The department of community(~~(, trade, and economic)~~)  
24 development and the office of financial management shall coordinate  
25 efforts among agencies to inform the public about the existence of this  
26 rules review process.

27 (6) The office of financial management shall initiate the rule  
28 making required by subsection (1) of this section by September 1, 1995.

29 **Sec. 313.** RCW 35.02.260 and 1995 c 399 s 34 are each amended to

32 shall identify federal, state, and local agencies that should receive  
33 notification that a new city or town is about to incorporate and shall  
34 assist newly formed cities and towns during the interim period before  
35 the official date of incorporation in providing such notification to  
36 the identified agencies.

1       **Sec. 314.** RCW 35.21.300 and 1995 c 399 s 36 are each amended to  
2 read as follows:

3       (1) The lien for charges for service by a city waterworks, or  
4 electric light or power plant may be enforced only by cutting off the  
5 service until the delinquent and unpaid charges are paid, except that  
6 until June 30, 1991, utility service for residential space heating may  
7 be terminated between November 15<sup>th</sup> and March 15<sup>th</sup> only as provided in  
8 subsections (2) and (4) of this section. In the event of a disputed  
9 account and tender by the owner of the premises of the amount the owner  
10 claims to be due before the service is cut off, the right to refuse  
11 service to any premises shall not accrue until suit has been entered by  
12 the city and judgment entered in the case.

13       (2) Utility service for residential space heating shall not be  
14 terminated between November 15<sup>th</sup> through March 15<sup>th</sup> if the customer:

15       (a) Notifies the utility of the inability to pay the bill,  
16 including a security deposit. This notice should be provided within  
17 five business days of receiving a payment overdue notice unless there  
18 are extenuating circumstances. If the customer fails to notify the  
19 utility within five business days and service is terminated, the  
20 customer can, by paying reconnection charges, if any, and fulfilling  
21 the requirements of this section, receive the protections of this  
22 chapter;

23       (b) Provides self-certification of household income for the prior  
24 twelve months to a grantee of the department of community(~~(, trade, and~~  
25 ~~economic)) development which administers federally funded energy  
26 assistance programs. The grantee shall determine that the household  
27 income does not exceed the maximum allowed for eligibility under the  
28 state's plan for low-income energy assistance under 42 U.S.C. 8624 and  
29 shall provide a dollar figure that is seven percent of household  
30 income. The grantee may verify information in the self-certification;~~

31       (c) Has applied for home heating assistance from applicable  
32 government and private sector organizations and certifies that any  
33 assistance received will be applied to the current bill and future  
34 utility bills;

35       (d) Has applied for low-income weatherization assistance to the  
36 utility or other appropriate agency if such assistance is available for  
37 the dwelling;

38       (e) Agrees to a payment plan and agrees to maintain the payment  
39 plan. The plan will be designed both to pay the past due bill by the

1 following October 15<sup>th</sup> and to pay for continued utility service. If  
2 the past due bill is not paid by the following October 15<sup>th</sup>, the  
3 customer shall not be eligible for protections under this chapter until  
4 the past due bill is paid. The plan shall not require monthly payments  
5 in excess of seven percent of the customer's monthly income plus one-  
6 twelfth of any arrearage accrued from the date application is made and  
7 thereafter during November 15<sup>th</sup> through March 15<sup>th</sup>. A customer may  
8 agree to pay a higher percentage during this period, but shall not be  
9 in default unless payment during this period is less than seven percent  
10 of monthly income plus one-twelfth of any arrearage accrued from the  
11 date application is made and thereafter. If assistance payments are  
12 received by the customer subsequent to implementation of the plan, the  
13 customer shall contact the utility to reformulate the plan; and

14 (f) Agrees to pay the moneys owed even if he or she moves.

15 (3) The utility shall:

16 (a) Include in any notice that an account is delinquent and that  
17 service may be subject to termination, a description of the customer's  
18 duties in this section;

19 (b) Assist the customer in fulfilling the requirements under this  
20 section;

21 (c) Be authorized to transfer an account to a new residence when a  
22 customer who has established a plan under this section moves from one  
23 residence to another within the same utility service area;

24 (d) Be permitted to disconnect service if the customer fails to  
25 honor the payment program. Utilities may continue to disconnect  
26 service for those practices authorized by law other than for nonpayment  
27 as provided for in this section. Customers who qualify for payment  
28 plans under this section who default on their payment plans and are  
29 disconnected can be reconnected and maintain the protections afforded  
30 under this chapter by paying reconnection charges, if any, and by  
31 paying all amounts that would have been due and owing under the terms  
32 of the applicable payment plan, absent default, on the date on which  
33 service is reconnected; and

34 (e) Advise the customer in writing at the time it disconnects  
35 service that it will restore service if the customer contacts the  
36 utility and fulfills the other requirements of this section.

37 (4) All municipal utilities shall offer residential customers the  
38 option of a budget billing or equal payment plan. The budget billing  
39 or equal payment plan shall be offered low-income customers eligible

1 under the state's plan for low-income energy assistance prepared in  
2 accordance with 42 U.S.C. 8624(C)(1) without limiting availability to  
3 certain months of the year, without regard to the length of time the  
4 customer has occupied the premises, and without regard to whether the  
5 customer is the tenant or owner of the premises occupied.

6 (5) An agreement between the customer and the utility, whether oral  
7 or written, shall not waive the protections afforded under this  
8 chapter.

9 **Sec. 315.** RCW 35.21.687 and 1995 c 399 s 37 are each amended to  
10 read as follows:

11 (1) Every city and town, including every code city operating under  
12 Title 35A RCW, shall identify and catalog real property owned by the  
13 city or town that is no longer required for its purposes and is  
14 suitable for the development of affordable housing for very low-income,  
15 low-income, and moderate-income households as defined in RCW 43.63A.510  
16 (as recodified by this act). The inventory shall include the location,  
17 approximate size, and current zoning classification of the property.  
18 Every city and town shall provide a copy of the inventory to the  
19 department of community(~~(, trade, and economic)~~) development by  
20 November 1, 1993, with inventory revisions each November 1st  
21 thereafter.

22 (2) By November 1st of each year, beginning in 1994, every city and  
23 town, including every code city operating under Title 35A RCW, shall  
24 purge the inventory of real property of sites that are no longer  
25 available for the development of affordable housing. The inventory  
26 revision shall also contain a list of real property that has become  
27 available since the last update. As used in this section, "real  
28 property" means buildings, land, or buildings and land.

29 **Sec. 316.** RCW 35.21.779 and 1995 c 399 s 39 are each amended to  
30 read as follows:

31 (1) In cities or towns where the estimated value of state-owned  
32 facilities constitutes ten percent or more of the total assessed  
33 valuation, the state agency or institution owning the facilities shall  
34 contract with the city or town to pay an equitable share for fire  
35 protection services. The contract shall be negotiated as provided in  
36 subsections (2) through (6) of this section and shall provide for  
37 payment by the agency or institution to the city or town.

1 (2) A city or town seeking to enter into fire protection contract  
2 negotiations shall provide written notification to the department of  
3 community(~~(, trade, and economic)~~) development and the state agencies  
4 or institutions that own property within the jurisdiction, of its  
5 intent to contract for fire protection services. Where there are  
6 multiple state agencies located within a single jurisdiction, a city  
7 may choose to notify only the department of community(~~(, trade, and  
8 economic)~~) development, which in turn shall notify the agencies or  
9 institution that own property within the jurisdiction of the city's  
10 intent to contract for fire protection services. Any such notification  
11 shall be based on the valuation procedures, based on commonly accepted  
12 standards, adopted by the department of community(~~(, trade, and  
13 economic)~~) development in consultation with the department of general  
14 administration and the association of Washington cities.

15 (3) The department of community(~~(, trade, and economic)~~)  
16 development shall review any such notification to ensure that the  
17 valuation procedures and results are accurate. The department will  
18 notify each affected city or town and state agency or institution of  
19 the results of their review within thirty days of receipt of  
20 notification.

21 (4) The parties negotiating fire protection contracts under this  
22 section shall conduct those negotiations in good faith. Whenever there  
23 are multiple state agencies located within a single jurisdiction, every  
24 effort shall be made by the state to consolidate negotiations on behalf  
25 of all affected agencies.

26 (5) In the event of notification by one of the parties that an  
27 agreement cannot be reached on the terms and conditions of a fire  
28 protection contract, the director of the department of community(~~(,  
29 trade, and economic)~~) development shall mediate a resolution of the  
30 disagreement. In the event of a continued impasse, the director of the  
31 department of community(~~(, trade, and economic)~~) development shall  
32 recommend a resolution.

33 (6) If the parties reject the recommendation of the director and an  
34 impasse continues, the director shall direct the parties to  
35 arbitration. The parties shall agree on a neutral arbitrator, and the  
36 fees and expenses of the arbitrator shall be shared equally between the  
37 parties. The arbitration shall be a final offer, total arbitration,  
38 with the arbitrator empowered only to pick the final offer of one of  
39 the parties or the recommended resolution by the director of the

1 department of community(~~(, trade, and economic)~~) development. The  
2 decision of the arbitrator shall be final, binding, and nonappealable  
3 on the parties.

4 (7) The provisions of this section shall not apply if a city or  
5 town and a state agency or institution have contracted pursuant to RCW  
6 35.21.775.

7 (8) The provisions of this section do not apply to cities and towns  
8 not meeting the conditions in subsection (1) of this section. Cities  
9 and towns not meeting the conditions of subsection (1) of this section  
10 may enter into contracts pursuant to RCW 35.21.775.

11 **Sec. 317.** RCW 36.27.100 and 1995 c 399 s 41 are each amended to  
12 read as follows:

13 The legislature recognizes that, due to the magnitude or volume of  
14 offenses in a given area of the state, there is a recurring need for  
15 supplemental assistance in the prosecuting of drug and drug-related  
16 offenses that can be directed to the area of the state with the  
17 greatest need for short-term assistance. A statewide drug prosecution  
18 assistance program is created within the department of community(~~(, trade, and economic)~~)  
19 development to assist county prosecuting  
20 attorneys in the prosecution of drug and drug-related offenses.

21 **Sec. 318.** RCW 36.34.137 and 1993 c 461 s 5 are each amended to

25 for the development of affordable housing for very low-income, low-  
26 income, and moderate-income households as defined in RCW 43.63A.510 (as  
27 recodified by this act). The inventory shall include the location,  
28 approximate size, and current zoning classification of the property.  
29 Every county shall provide a copy of the inventory to the department of  
30 community development by November 1, 1993, with inventory revisions  
31 each November 1<sup>st</sup> thereafter.

32 (2) By November 1<sup>st</sup> of each year, beginning in 1994, every county  
33 shall purge the inventory of real property of sites that are no longer  
34 available for the development of affordable housing. The inventory  
35 revision shall include an updated listing of real property that has  
36 become available since the last update. As used in this section, "real  
37 property" means buildings, land, or buildings and land.

3       Unless the context clearly requires otherwise, the definitions in  
4 this section apply throughout this chapter.

11 services conducive to conversion of forest land to other uses.

12 (9) "Geologically hazardous areas" means areas that because of  
13 their susceptibility to erosion, sliding, earthquake, or other  
14 geological events, are not suited to the siting of commercial,

21 (11) "Minerals" include gravel, sand, and valuable metallic  
22 substances.

23 (12) "Public facilities" include streets, roads, highways,  
24 sidewalks, street and road lighting systems, traffic signals, domestic  
25 water systems, storm and sanitary sewer systems, parks and recreational  
26 facilities, and schools.

27 (13) "Public services" include fire protection and suppression, law  
28 enforcement, public health, education, recreation, environmental  
29 protection, and other governmental services.

30 (14) "Rural character" refers to the patterns of land use and  
31 development established by a county in the rural element of its  
32 comprehensive plan:

33 (a) In which open space, the natural landscape, and vegetation  
34 predominate over the built environment;

35 (b) That foster traditional rural lifestyles, rural-based  
36 economies, and opportunities to both live and work in rural areas;

37 (c) That provide visual landscapes that are traditionally found in  
38 rural areas and communities;

1 (d) That are compatible with the use of the land by wildlife and  
2 for fish and wildlife habitat;

3 (e) That reduce the inappropriate conversion of undeveloped land  
4 into sprawling, low-density development;

5 (f) That generally do not require the extension of urban  
6 governmental services; and

7 (g) That are consistent with the protection of natural surface  
8 water flows and ground water and surface water recharge and discharge  
9 areas.

10 (15) "Rural development" refers to development outside the urban  
11 growth area and outside agricultural, forest, and mineral resource  
12 lands designated pursuant to RCW 36.70A.170. Rural development can  
13 consist of a variety of uses and residential densities, including  
14 clustered residential development, at levels that are consistent with  
15 the preservation of rural character and the requirements of the rural  
16 element. Rural development does not refer to agriculture or forestry  
17 activities that may be conducted in rural areas.

18 (16) "Rural governmental services" or "rural services" include  
19 those public services and public facilities historically and typically  
20 delivered at an intensity usually found in rural areas, and may include  
21 domestic water systems, fire and police protection services,  
22 transportation and public transit services, and other public utilities  
23 associated with rural development and normally not associated with  
24 urban areas. Rural services do not include storm or sanitary sewers,  
25 except as otherwise authorized by RCW 36.70A.110(4).

26 (17) "Urban growth" refers to growth that makes intensive use of  
27 land for the location of buildings, structures, and impermeable  
28 surfaces to such a degree as to be incompatible with the primary use of  
29 land for the production of food, other agricultural products, or fiber,  
30 or the extraction of mineral resources, rural uses, rural development,  
31 and natural resource lands designated pursuant to RCW 36.70A.170. A  
32 pattern of more intensive rural development, as provided in RCW  
33 36.70A.070(5)(d), is not urban growth. When allowed to spread over  
34 wide areas, urban growth typically requires urban governmental  
35 services. "Characterized by urban growth" refers to land having urban  
36 growth located on it, or to land located in relationship to an area  
37 with urban growth on it as to be appropriate for urban growth.

38 (18) "Urban growth areas" means those areas designated by a county  
39 pursuant to RCW 36.70A.110.

1 (19) "Urban governmental services" or "urban services" include  
2 those public services and public facilities at an intensity  
3 historically and typically provided in cities, specifically including  
4 storm and sanitary sewer systems, domestic water systems, street  
5 cleaning services, fire and police protection services, public transit  
6 services, and other public utilities associated with urban areas and  
7 normally not associated with rural areas.

8 (20) "Wetland" or "wetlands" means areas that are inundated or  
9 saturated by surface water or ground water at a frequency and duration  
10 sufficient to support, and that under normal circumstances do support,  
11 a prevalence of vegetation typically adapted for life in saturated soil  
12 conditions. Wetlands generally include swamps, marshes, bogs, and  
13 similar areas. Wetlands do not include those artificial wetlands  
14 intentionally created from nonwetland sites, including, but not limited  
15 to, irrigation and drainage ditches, grass-lined swales, canals,  
16 detention facilities, wastewater treatment facilities, farm ponds, and  
17 landscape amenities, or those wetlands created after July 1, 1990, that  
18 were unintentionally created as a result of the construction of a road,  
19 street, or highway. Wetlands may include those artificial wetlands  
20 intentionally created from nonwetland areas created to mitigate  
21 conversion of wetlands.

22 **Sec. 320.** RCW 36.70A.040 and 2000 c 36 s 1 are each amended to  
23 read as follows:

24 (1) Each county that has both a population of fifty thousand or  
25 more and, until May 16, 1995, has had its population increase by more  
26 than ten percent in the previous ten years or, on or after May 16,  
27 1995, has had its population increase by more than seventeen percent in  
28 the previous ten years, and the cities located within such county, and  
29 any other county regardless of its population that has had its  
30 population increase by more than twenty percent in the previous ten  
31 years, and the cities located within such county, shall conform with  
32 all of the requirements of this chapter. However, the county  
33 legislative authority of such a county with a population of less than  
34 fifty thousand population may adopt a resolution removing the county,  
35 and the cities located within the county, from the requirements of  
36 adopting comprehensive land use plans and development regulations under  
37 this chapter if this resolution is adopted and filed with the  
38 department by December 31, 1990, for counties initially meeting this

1 set of criteria, or within sixty days of the date the office of  
2 financial management certifies that a county meets this set of criteria  
3 under subsection (5) of this section. For the purposes of this  
4 subsection, a county not currently planning under this chapter is not  
5 required to include in its population count those persons confined in  
6 a correctional facility under the jurisdiction of the department of  
7 corrections that is located in the county.

8 Once a county meets either of these sets of criteria, the  
9 requirement to conform with all of the requirements of this chapter  
10 remains in effect, even if the county no longer meets one of these sets  
11 of criteria.

12 (2) The county legislative authority of any county that does not  
13 meet either of the sets of criteria established under subsection (1) of  
14 this section may adopt a resolution indicating its intention to have  
15 subsection (1) of this section apply to the county. Each city, located  
16 in a county that chooses to plan under this subsection, shall conform  
17 with all of the requirements of this chapter. Once such a resolution  
18 has been adopted, the county and the cities located within the county  
19 remain subject to all of the requirements of this chapter.

20 (3) Any county or city that is initially required to conform with  
21 all of the requirements of this chapter under subsection (1) of this  
22 section shall take actions under this chapter as follows: (a) The  
23 county legislative authority shall adopt a countywide planning policy  
24 under RCW 36.70A.210; (b) the county and each city located within the  
25 county shall designate critical areas, agricultural lands, forest  
26 lands, and mineral resource lands, and adopt development regulations  
27 conserving these designated agricultural lands, forest lands, and  
28 mineral resource lands and protecting these designated critical areas,  
29 under RCW 36.70A.170 and 36.70A.060; (c) the county shall designate and  
30 take other actions related to urban growth areas under RCW 36.70A.110;  
31 (d) if the county has a population of fifty thousand or more, the  
32 county and each city located within the county shall adopt a  
33 comprehensive plan under this chapter and development regulations that  
34 are consistent with and implement the comprehensive plan on or before  
35 July 1, 1994, and if the county has a population of less than fifty  
36 thousand, the county and each city located within the county shall  
37 adopt a comprehensive plan under this chapter and development  
38 regulations that are consistent with and implement the comprehensive  
39 plan by January 1, 1995, but if the governor makes written findings

1 that a county with a population of less than fifty thousand or a city  
2 located within such a county is not making reasonable progress toward  
3 adopting a comprehensive plan and development regulations the governor  
4 may reduce this deadline for such actions to be taken by no more than  
5 one hundred eighty days. Any county or city subject to this subsection  
6 may obtain an additional six months before it is required to have  
7 adopted its development regulations by submitting a letter notifying  
8 the department of community(~~(, trade, and economic)~~) development of its  
9 need prior to the deadline for adopting both a comprehensive plan and  
10 development regulations.

11 (4) Any county or city that is required to conform with all the  
12 requirements of this chapter, as a result of the county legislative  
13 authority adopting its resolution of intention under subsection (2) of  
14 this section, shall take actions under this chapter as follows: (a)  
15 The county legislative authority shall adopt a countywide planning  
16 policy under RCW 36.70A.210; (b) the county and each city that is  
17 located within the county shall adopt development regulations  
18 conserving agricultural lands, forest lands, and mineral resource lands  
19 it designated under RCW 36.70A.060 within one year of the date the  
20 county legislative authority adopts its resolution of intention; (c)  
21 the county shall designate and take other actions related to urban  
22 growth areas under RCW 36.70A.110; and (d) the county and each city  
23 that is located within the county shall adopt a comprehensive plan and  
24 development regulations that are consistent with and implement the  
25 comprehensive plan not later than four years from the date the county  
26 legislative authority adopts its resolution of intention, but a county  
27 or city may obtain an additional six months before it is required to  
28 have adopted its development regulations by submitting a letter  
29 notifying the department of community(~~(, trade, and economic)~~)  
30 development of its need prior to the deadline for adopting both a  
31 comprehensive plan and development regulations.

32 (5) If the office of financial management certifies that the  
33 population of a county that previously had not been required to plan  
34 under subsection (1) or (2) of this section has changed sufficiently to  
35 meet either of the sets of criteria specified under subsection (1) of  
36 this section, and where applicable, the county legislative authority  
37 has not adopted a resolution removing the county from these  
38 requirements as provided in subsection (1) of this section, the county  
39 and each city within such county shall take actions under this chapter

1 as follows: (a) The county legislative authority shall adopt a  
2 countywide planning policy under RCW 36.70A.210; (b) the county and  
3 each city located within the county shall adopt development regulations  
4 under RCW 36.70A.060 conserving agricultural lands, forest lands, and  
5 mineral resource lands it designated within one year of the  
6 certification by the office of financial management; (c) the county  
7 shall designate and take other actions related to urban growth areas  
8 under RCW 36.70A.110; and (d) the county and each city located within  
9 the county shall adopt a comprehensive land use plan and development  
10 regulations that are consistent with and implement the comprehensive  
11 plan within four years of the certification by the office of financial  
12 management, but a county or city may obtain an additional six months  
13 before it is required to have adopted its development regulations by  
14 submitting a letter notifying the department of community(~~(, trade, and~~  
15 ~~economic~~)) development of its need prior to the deadline for adopting  
16 both a comprehensive plan and development regulations.

17 (6) A copy of each document that is required under this section  
18 shall be submitted to the department at the time of its adoption.

19 (7) Cities and counties planning under this chapter must amend the  
20 transportation element of the comprehensive plan to be in compliance  
21 with this chapter and chapter 47.80 RCW no later than December 31,  
22 2000.

23 **Sec. 321.** RCW 36.70A.131 and 1998 c 286 s 7 are each amended to  
24 read as follows:

25 As part of the review required by RCW 36.70A.130(1), a county or  
26 city shall review its mineral resource lands designations adopted  
27 pursuant to RCW 36.70A.170 and mineral resource lands development  
28 regulations adopted pursuant to RCW 36.70A.040 and 36.70A.060. In its  
29 review, the county or city shall take into consideration:

30 (1) New information made available since the adoption or last  
31 review of its designations or development regulations, including data  
32 available from the department of natural resources relating to mineral  
33 resource deposits; and

34 (2) New or modified model development regulations for mineral  
35 resource lands prepared by the department of natural resources, the  
36 department of community(~~(, trade, and economic~~)) development, or the  
37 Washington state association of counties.

1       **Sec. 322.** RCW 39.44.210 and 1995 c 399 s 54 are each amended to  
2 read as follows:

3       For each state or local government bond issued, the underwriter of  
4 the issue shall supply the department of community(~~(, trade, and~~  
5 ~~economic))~~ development with information on the bond issue within twenty  
6 days of its issuance. In cases where the issuer of the bond makes a  
7 direct or private sale to a purchaser without benefit of an  
8 underwriter, the issuer shall supply the required information. The  
9 bond issue information shall be provided on a form prescribed by the  
10 department of community(~~(, trade, and economic))~~ development and shall  
11 include but is not limited to: (1) The par value of the bond issue;  
12 (2) the effective interest rates; (3) a schedule of maturities; (4) the  
13 purposes of the bond issue; (5) cost of issuance information; and (6)  
14 the type of bonds that are issued. A copy of the bond covenants shall  
15 be supplied with this information.

16       For each state or local government bond issued, the issuer's bond  
17 counsel promptly shall provide to the underwriter or to the department  
18 of community(~~(, trade, and economic))~~ development information on the  
19 amount of any fees charged for services rendered with regard to the  
20 bond issue.

21       Each local government that issues any type of bond shall make a  
22 report annually to the department of community(~~(, trade, and economic))~~  
23 development that includes a summary of all the outstanding bonds of the  
24 local government as of the first day of January in that year. Such  
25 report shall distinguish the outstanding bond issues on the basis of  
26 the type of bond, as defined in RCW 39.44.200, and shall report the  
27 local government's outstanding indebtedness compared to any applicable  
28 limitations on indebtedness, including RCW 35.42.200, 39.30.010, and  
29 39.36.020.

30       **Sec. 323.** RCW 39.44.230 and 1995 c 399 s 55 are each amended to  
31 read as follows:

32       The department of community(~~(, trade, and economic))~~ development  
33 may adopt rules (~~(and regulations))~~ pursuant to the administrative  
34 procedure act to require (1) the submission of bond issuance  
35 information by underwriters and bond counsel to the department of  
36 community(~~(, trade, and economic))~~ development in a timely manner and  
37 (2) the submission of additional information on bond issues by state  
38 and local governments, including summaries of outstanding bond issues.

1       **Sec. 324.** RCW 39.84.090 and 1998 c 245 s 34 are each amended to  
2 read as follows:

3       (1) Prior to issuance of any revenue bonds, each public corporation  
4 shall submit a copy of its enabling ordinance and charter, a  
5 description of any industrial development facility proposed to be  
6 undertaken, and the basis for its qualification as an industrial  
7 development facility to the department of community(~~(, trade, and~~  
8 ~~economic)) development.~~

9       (2) If the industrial development facility is not eligible under  
10 this chapter, the department of community(~~(, trade, and economic))~~  
11 development shall give notice to the public corporation, in writing and  
12 by certified mail, within twelve working days of receipt of the  
13 description.

14       (3) The department of community(~~(, trade, and economic))~~  
15 development shall provide such advice and assistance to public  
16 corporations and municipalities which have created or may wish to  
17 create public corporations as the public corporations or municipalities  
18 request and the department of community(~~(, trade, and economic))~~  
19 development considers appropriate.

20       **Sec. 325.** RCW 43.08.260 and 1997 c 319 s 2 are each amended to  
21 read as follows:

22       (1)(a) The legislature recognizes the ethical obligation of  
23 attorneys to represent clients without interference by third parties in  
24 the discharge of professional obligations to clients. However, to  
25 ensure the most beneficial use of state resources, the legislature  
26 finds that it is within the authority of the legislature to specify the  
27 categories of legal cases in which qualified legal aid programs may  
28 provide civil representation with state moneys. Accordingly, moneys  
29 appropriated for civil legal representation pursuant to this section  
30 shall not be used for legal representation that is either outside the  
31 scope of this section or prohibited by this section.

32       (b) Nothing in this section is intended to limit the authority of  
33 existing entities, including but not limited to the Washington state  
34 bar association, the public disclosure commission, the state auditor,  
35 and the federal legal services corporation to resolve issues within  
36 their respective jurisdictions.

37       (2) Any money appropriated by the legislature from the public  
38 safety and education account pursuant to RCW 43.08.250 or from any

1 other state fund or account for civil representation of indigent  
2 persons shall be used solely for the purpose of contracting with  
3 qualified legal aid programs for legal representation of indigent  
4 persons in matters relating to: (a) Domestic relations and family law  
5 matters, (b) public assistance and health care, (c) housing and  
6 utilities, (d) social security, (e) mortgage foreclosures, (f) home  
7 protection bankruptcies, (g) consumer fraud and unfair sales practices,  
8 (h) rights of residents of long-term care facilities, (i) wills,  
9 estates, and living wills, (j) elder abuse, and (k) guardianship.

10 (3) For purposes of this section, a "qualified legal aid program"  
11 means a not-for-profit corporation incorporated and operating  
12 exclusively in Washington which has received basic field funding for  
13 the provision of civil legal services to indigents from the federal  
14 legal services corporation or that has received funding for civil legal  
15 services for indigents under this section before July 1, 1997.

16 (4) The department of community(~~(, trade, and economic)~~)  
17 development shall establish a distribution formula based on the  
18 distribution by county of individuals with incomes below the official  
19 federal poverty level guidelines. When entering into a contract with  
20 a qualified legal services provider under this section, the department  
21 shall require the provider to provide legal services in a manner that  
22 maximizes geographic access in accordance with the formula established  
23 in this subsection (4).

24 (5) Funds distributed to qualified legal aid programs under this  
25 section may not be used directly or indirectly for:

26 (a) Lobbying.

27 (i) For purposes of this section, "lobbying" means any personal  
28 service, advertisement, telegram, telephone communication, letter,  
29 printed or written matter, or other device directly or indirectly  
30 intended to influence any member of congress or any other federal,  
31 state, or local nonjudicial official, whether elected or appointed:

32 (A) In connection with any act, bill, resolution, or similar  
33 legislation by the congress of the United States or by any state or  
34 local legislative body, or any administrative rule, rule-making  
35 activity, standard, rate, or other enactment by any federal, state, or  
36 local administrative agency;

37 (B) In connection with any referendum, initiative, constitutional  
38 amendment, or any similar procedure of the congress, any state

1 legislature, any local council, or any similar governing body acting in  
2 a legislative capacity; or

3 (C) In connection with inclusion of any provision in a legislative  
4 measure appropriating funds to, or defining or limiting the functions  
5 or authority of, the recipient of funds under this section.

6 (ii) "Lobbying" does not include the response of an employee of a  
7 legal aid program to a written request from a governmental agency, an  
8 elected or appointed official, or committee on a specific matter. This  
9 exception does not authorize communication with anyone other than the  
10 requesting party, or agent or employee of such agency, official, or  
11 committee.

12 (b) Grass roots lobbying. For purposes of this section, "grass  
13 roots lobbying" means preparation, production, or dissemination of  
14 information the purpose of which is to encourage the public at large,  
15 or any definable segment thereof, to contact legislators or their staff  
16 in support of or in opposition to pending or proposed legislation; or  
17 contribute to or participate in a demonstration, march, rally, lobbying  
18 campaign, or letter writing or telephone campaign for the purpose of  
19 influencing the course of pending or proposed legislation.

20 (c) Class action lawsuits.

21 (d) Participating in or identifying the program with prohibited  
22 political activities. For purposes of this section, "prohibited  
23 political activities" means (i) any activity directed toward the  
24 success or failure of a political party, a candidate for partisan or  
25 nonpartisan office, a partisan political group, or a ballot measure;  
26 (ii) advertising or contributing or soliciting financial support for or  
27 against any candidate, political group, or ballot measure; or (iii)  
28 voter registration or transportation activities.

29 (e) Representation in fee-generating cases. For purposes of this  
30 section, "fee-generating" means a case that might reasonably be  
31 expected to result in a fee for legal services if undertaken by a  
32 private attorney. The charging of a fee pursuant to subsection (6) of  
33 this section does not establish the fee-generating nature of a case.

34 A fee-generating case may be accepted when: (i) The case has been  
35 rejected by the local lawyer referral services or by two private  
36 attorneys; (ii) neither the referral service nor two private attorneys  
37 will consider the case without payment of a consultation fee; (iii)  
38 after consultation with the appropriate representatives of the private  
39 bar, the program has determined that the type of case is one that

1 private attorneys do not ordinarily accept, or do not accept without  
2 prepayment of a fee; or (iv) the director of the program or the  
3 director's designee has determined that referral of the case to the  
4 private bar is not possible because documented attempts to refer  
5 similar cases in the past have been futile, or because emergency  
6 circumstances compel immediate action before referral can be made, but  
7 the client is advised that, if appropriate and consistent with  
8 professional responsibility, referral will be attempted at a later  
9 time.

10 (f) Organizing any association, union, or federation, or  
11 representing a labor union. However, nothing in this subsection (5)(f)  
12 prohibits the provision of legal services to clients as otherwise  
13 permitted by this section.

14 (g) Representation of undocumented aliens.

15 (h) Picketing, demonstrations, strikes, or boycotts.

16 (i) Engaging in inappropriate solicitation. For purposes of this  
17 section, "inappropriate solicitation" means promoting the assertion of  
18 specific legal claims among persons who know of their rights to make a  
19 claim and who decline to do so. Nothing in this subsection precludes  
20 a legal services program or its employees from providing information  
21 regarding legal rights and responsibilities or providing information  
22 regarding the program's services and intake procedures through  
23 community legal education activities, responding to an individual's  
24 specific question about whether the individual should consult with an  
25 attorney or take legal action, or responding to an individual's  
26 specific request for information about the individual's legal rights or  
27 request for assistance in connection with a specific legal problem.

28 (j) Conducting training programs that: (i) Advocate particular  
29 public policies; (ii) encourage or facilitate political activities,  
30 labor or antilabor activities, boycotts, picketing, strikes, or  
31 demonstrations; or (iii) attempt to influence legislation or rule  
32 making. Nothing in this subsection (5)(j) precludes representation of  
33 clients as otherwise permitted by this section.

34 (6) The department may establish requirements for client  
35 participation in the provision of civil legal services under this  
36 section, including but not limited to copayments and sliding fee  
37 scales.

38 (7)(a) Contracts entered into by the department of community(~~or~~  
39 ~~trade, and economic~~) development with qualified legal services

1 programs under this section must specify that the program's  
2 expenditures of moneys distributed under this section:

3 (i) Must be audited annually by an independent outside auditor.  
4 These audit results must be provided to the department of community(~~(~~  
5 ~~trade, and economic~~) development; and

6 (ii) Are subject to audit by the state auditor.

7 (b)(i) Any entity auditing a legal services program under this  
8 section shall have access to all records of the legal services program  
9 to the full extent necessary to determine compliance with this section,  
10 with the exception of confidential information protected by the United  
11 States Constitution, the state Constitution, the attorney-client  
12 privilege, and applicable rules of attorney conduct.

13 (ii) The legal services program shall have a system allowing for  
14 production of case-specific information, including client eligibility  
15 and case type, to demonstrate compliance with this section, with the  
16 exception of confidential information protected by the United States  
17 Constitution, the state Constitution, the attorney-client privilege,  
18 and applicable rules of attorney conduct. Such information shall be  
19 available to any entity that audits the program.

20 (8) The department of community(~~(~~  
21 ~~trade, and economic~~) development must recover or withhold amounts determined by an audit to  
22 have been used in violation of this section.

23 (9) The department of community(~~(~~  
24 ~~trade, and economic~~) development may adopt rules to implement this section.

25 **Sec. 326.** RCW 43.19.1920 and 1995 c 399 s 63 are each amended to  
26 read as follows:

27 The division of purchasing may donate state-owned, surplus,

time for them to make their needs known;

1 (2) The agency owning the property has authorized the division of  
2 purchasing to donate the property in accordance with this section;

3 (3) The nature and quantity of the property in question is directly  
4 germane to the needs of the homeless persons served by the shelter and

7 (4) The director of general administration has determined that the  
8 donation of such property is in the best interest of the state.

14 very low-income, low-income, and moderate-income households as defined  
15 in RCW 43.63A.510 (as recodified by this act). The inventory shall  
16 include the location, approximate size, and current zoning  
17 classification of the property. The department of general  
18 administration shall provide a copy of the inventory to the department  
19 of community(~~(, trade, and economic)~~) development by November 1, 1993,  
20 and every November 1<sup>st</sup> thereafter.

21 (2) By November 1<sup>st</sup> of each year, beginning in 1994, the department  
22 of general administration shall purge the inventory of real property of  
23 sites that are no longer available for the development of affordable  
24 housing. The department shall include an updated listing of real  
25 property that has become available since the last update. As used in  
26 this section, "real property" means buildings, land, or buildings and  
27 land.

28 **Sec. 328.** RCW 43.20A.037 and 1995 c 399 s 65 are each amended to  
29 read as follows:

30 (1) The department shall identify and catalog real property that is  
31 no longer required for department purposes and is suitable for the  
32 development of affordable housing for very low-income, and moderate-  
33 income households as defined in RCW 43.63A.510 (as recodified by this  
34 act). The inventory shall include the location, approximate size, and

36 provide a copy of the inventory to the department of community(~~(,~~

1 ~~trade, and economic~~) development by November 1, 1993, and every  
2 November 1<sup>st</sup> thereafter.

3 (2) By November 1<sup>st</sup> of each year, beginning in 1994, the department  
4 shall purge the inventory of real property of sites that are no longer  
5 available for the development of affordable housing. The department  
6 shall include an updated listing of real property that has become  
7 available since the last update. As used in this section, "real  
8 property" means buildings, land, or buildings and land.

9 **Sec. 329.** RCW 43.21A.612 and 1995 c 399 s 68 are each amended to  
10 read as follows:

11 Before the director shall construct said steam generating facility  
12 within the state, or make application for any permit, license or other  
13 right necessary thereto, the director shall give notice thereof by  
14 publishing once a week for four consecutive weeks in a newspaper of  
15 general circulation in the county or counties in which such project is  
16 located a statement of intention setting forth the general nature,  
17 extent and location of the project. If any public utility in the state  
18 or any operating agency desires to construct such facility, such  
19 utility or operating agency shall notify the director thereof within  
20 ten days after the last date of publication of such notice. If the  
21 director determines that it is in the best public interest that the  
22 director proceed with such construction rather than the public utility  
23 or operating agency, the director shall so notify the director of  
24 community(~~(, trade, and economic)~~) development, who shall set a date  
25 for hearing thereon. If after considering the evidence introduced the  
26 director of community(~~(, trade, and economic)~~) development finds that  
27 the public utility or operating agency making the request intends to  
28 immediately proceed with such construction and is financially capable  
29 of carrying out such construction and further finds that the plan of  
30 such utility or operating agency is equally well adapted to serve the  
31 public interest, the director shall enter an order so finding and such  
32 order shall divest the director of authority to proceed further with  
33 such construction or acquisition until such time as the other public  
34 utility or agency voluntarily causes an assignment of its right or  
35 interest in the project to the director or fails to procure any further  
36 required governmental permit, license or authority or having procured  
37 such, has the same revoked or withdrawn, in accordance with the laws  
38 and regulations of such governmental entity, in which event the

1 director shall have the same authority to proceed as though the  
2 director had originally entered an order so authorizing the director to  
3 proceed. If, after considering the evidence introduced, the director  
4 of community(~~(, trade, and economic)~~) development finds that the public  
5 utility or agency making the request does not intend to immediately  
6 proceed with such construction or acquisition or is not financially  
7 capable of carrying out such construction or acquisition, or finds that  
8 the plan of such utility or operating agency is not equally well  
9 adapted to serve the public interest, the director shall then enter an  
10 order so finding and authorizing the director to proceed with the  
11 construction or acquisition of the facility.

12 **Sec. 330.** RCW 43.21C.110 and 1997 c 429 s 47 are each amended to

15 (1) To adopt and amend thereafter rules of interpretation and  
16 implementation of this chapter, subject to the requirements of chapter  
17 34.05 RCW, for the purpose of providing uniform rules and guidelines to  
18 all branches of government including state agencies, political  
19 subdivisions, public and municipal corporations, and counties. The  
20 proposed rules shall be subject to full public hearings requirements  
21 associated with rule promulgation. Suggestions for modifications of  
22 the proposed rules shall be considered on their merits, and the  
23 department shall have the authority and responsibility for full and  
24 appropriate independent promulgation and adoption of rules, assuring  
25 consistency with this chapter as amended and with the preservation of  
26 protections afforded by this chapter. The rule-making powers  
27 authorized in this section shall include, but shall not be limited to,  
28 the following phases of interpretation and implementation of this  
29 chapter:

30 (a) Categories of governmental actions which are not to be  
31 considered as potential major actions significantly affecting the  
32 quality of the environment, including categories pertaining to  
33 applications for water right permits pursuant to chapters 90.03 and  
34 90.44 RCW. The types of actions included as categorical exemptions in  
35 the rules shall be limited to those types which are not major actions  
36 significantly affecting the quality of the environment. The rules  
37 shall provide for certain circumstances where actions which potentially  
38 are categorically exempt require environmental review. An action that

1 is categorically exempt under the rules adopted by the department may  
2 not be conditioned or denied under this chapter.

3 (b) Rules for criteria and procedures applicable to the  
4 determination of when an act of a branch of government is a major

6 a detailed statement is required to be prepared pursuant to RCW  
7 43.21C.030.

8 (c) Rules and procedures applicable to the preparation of detailed

12 public participation which shall include the scope and review of draft  
13 environmental impact statements.

14 (d) Scope of coverage and contents of detailed statements assuring  
15 that such statements are simple, uniform, and as short as practicable;  
16 statements are required to analyze only reasonable alternatives and  
17 probable adverse environmental impacts which are significant, and may  
18 analyze beneficial impacts.

19 (e) Rules and procedures for public notification of actions taken  
20 and documents prepared.

21 (f) Definition of terms relevant to the implementation of this  
22 chapter including the establishment of a list of elements of the  
23 environment. Analysis of environmental considerations under RCW  
24 43.21C.030(2) may be required only for those subjects listed as  
25 elements of the environment (or portions thereof). The list of  
26 elements of the environment shall consist of the "natural" and "built"  
27 environment. The elements of the built environment shall consist of  
28 public services and utilities (such as water, sewer, schools, fire and  
29 police protection), transportation, environmental health (such as  
30 explosive materials and toxic waste), and land and shoreline use  
31 (including housing, and a description of the relationships with land  
32 use and shoreline plans and designations, including population).

33 (g) Rules for determining the obligations and powers under this  
34 chapter of two or more branches of government involved in the same  
35 project significantly affecting the quality of the environment.

36 (h) Methods to assure adequate public awareness of the preparation  
37 and issuance of detailed statements required by RCW 43.21C.030(2)(c).

3 comply with the provisions of this chapter.

4 (j) Rules for utilization of a detailed statement for more than one  
5 action and rules improving environmental analysis of nonproject  
6 proposals and encouraging better interagency coordination and  
7 integration between this chapter and other environmental laws.

8 (k) Rules relating to actions which shall be exempt from the  
9 provisions of this chapter in situations of emergency.

10 (l) Rules relating to the use of environmental documents in  
11 planning and decision making and the implementation of the substantive  
12 policies and requirements of this chapter, including procedures for  
13 appeals under this chapter.

14 (m) Rules and procedures that provide for the integration of  
15 environmental review with project review as provided in RCW 43.21C.240.  
16 The rules and procedures shall be jointly developed with the department  
17 of community(~~(, trade, and economic)~~) development and shall be  
18 applicable to the preparation of environmental documents for actions in  
19 counties, cities, and towns planning under RCW 36.70A.040. The rules  
20 and procedures shall also include procedures and criteria to analyze  
21 planned actions under RCW 43.21C.031(2) and revisions to the rules  
22 adopted under this section to ensure that they are compatible with the  
23 requirements and authorizations of chapter 347, Laws of 1995, as  
24 amended by chapter 429, Laws of 1997. Ordinances or procedures adopted  
25 by a county, city, or town to implement the provisions of chapter 347,  
26 Laws of 1995 prior to the effective date of rules adopted under this  
27 subsection (1)(m) shall continue to be effective until the adoption of  
28 any new or revised ordinances or procedures that may be required. If  
29 any revisions are required as a result of rules adopted under this  
30 subsection (1)(m), those revisions shall be made within the time limits  
31 specified in RCW 43.21C.120.

32 (2) In exercising its powers, functions, and duties under this  
33 section, the department may:

34 (a) Consult with the state agencies and with representatives of  
35 science, industry, agriculture, labor, conservation organizations,  
36 state and local governments, and other groups, as it deems advisable;  
37 and

38 (b) Utilize, to the fullest extent possible, the services,  
39 facilities, and information (including statistical information) of

1 public and private agencies, organizations, and individuals, in order  
2 to avoid duplication of effort and expense, overlap, or conflict with  
3 similar activities authorized by law and performed by established  
4 agencies.

5 (3) Rules adopted pursuant to this section shall be subject to the  
6 review procedures of chapter 34.05 RCW.

7 **Sec. 331.** RCW 43.22.495 and 1995 c 399 s 69 are each amended to  
8 read as follows:

9 Beginning on July 1, (~~(1991)~~) 2001, the department of community(~~(~~  
10 ~~trade, and economic)~~) development shall be responsible for performing

12 administrative agency that are required for purposes of complying with  
13 the regulations established by the federal department of housing and  
14 urban development for manufactured housing, including the preparation  
15 and submission of the state administrative plan.

16 The department of community(~~(~~  
17 ~~trade, and economic)~~) development  
18 may enter into state or local interagency agreements to coordinate site  
19 inspection activities with record monitoring and complaint handling.  
20 The interagency agreement may also provide for the reimbursement for  
21 cost of work that an agency performs. The department may include other  
22 related areas in any interagency agreements which are necessary for the  
23 efficient provision of services.

24 The directors of the department of community(~~(~~  
25 ~~trade, and economic)~~) development and the department of labor and industries shall

4 The legislature finds, however, that a single health-oriented  
5 agency must be designated to provide consistent guidelines to all these  
6 groups regarding the way in which their data systems collect this  
7 important data. It is not the intent of the legislature by RCW  
8 43.70.545 to transfer data collection requirements from existing  
9 agencies or to require the addition of major new data systems. It is  
10 rather the intent to make only the minimum required changes in existing

12       **Sec. 340.** RCW 43.150.040 and 1995 c 399 s 84 are each amended to  
13 read as follows:

14       The governor may establish a statewide center for volunteerism and  
15 citizen service within the department of community(~~(, trade, and~~  
16 ~~economic)~~) development and appoint an executive administrator, who may  
17 employ such staff as necessary to carry out the purposes of this  
18 chapter. The provisions of chapter 41.06 RCW do not apply to the

22       Unless the context clearly requires otherwise, the definitions in  
23 this section shall apply throughout this chapter.

24       (1) "Board" means the public works board created in RCW 43.155.030.

25       (2) "Capital facility plan" means a capital facility plan required  
26 by the growth management act under chapter 36.70A RCW or, for local  
27 governments not fully planning under the growth management act, a plan  
28 required by the public works board.

29       (3) "Department" means the department of community(~~(, trade, and~~  
30 ~~economic)~~) development.

31       (4) "Financing guarantees" means the pledge of money in the public  
32 works assistance account, or money to be received by the public works  
33 assistance account, to the repayment of all or a portion of the  
34 principal of or interest on obligations issued by local governments to  
35 finance public works projects.

36       (5) "Local governments" means cities, towns, counties, special  
37 purpose districts, and any other municipal corporations or quasi-

1 municipal corporations in the state excluding school districts and port  
2 districts.

3 (6) "Public works project" means a project of a local government  
4 for the planning, acquisition, construction, repair, reconstruction,  
5 replacement, rehabilitation, or improvement of streets and roads,  
6 bridges, water systems, or storm and sanitary sewage systems and solid  
7 waste facilities, including recycling facilities. A planning project  
8 may include the compilation of biological, hydrological, or other data

10 information for a capital facility plan.

11 (7) "Solid waste or recycling project" means remedial actions  
12 necessary to bring abandoned or closed landfills into compliance with

17 (8) "Technical assistance" means training and other services  
18 provided to local governments to: (a) Help such local governments

21 for, finance, acquire, construct, repair, replace, rehabilitate, and  
22 maintain public facilities.

23 **Sec. 342.** RCW 43.168.010 and 1999 c 164 s 501 are each amended to  
24 read as follows:

25 The legislature finds that:

26 (1) The economic health and well-being of the state, particularly  
27 in areas of high unemployment, economic stagnation, and poverty, is of  
28 substantial public concern.

29 (2) The consequences of minimal economic activity and persistent  
30 unemployment and underemployment are serious threats to the safety,  
31 health, and welfare of residents of these areas, decreasing the value  
32 of private investments and jeopardizing the sources of public revenue.

33 (3) The economic and social interdependence of communities and the  
34 vitality of industrial and economic activity necessitates, and is in  
35 part dependent on preventing substantial dislocation of residents and  
36 rebuilding the diversification of the areas' economy.

37 (4) The ability to remedy problems in stagnant areas of the state  
38 is beyond the power and control of the regulatory process and influence

1 of the state, and the ordinary operations of private enterprise without  
2 additional governmental assistance are insufficient to adequately  
3 remedy the problems of poverty and unemployment.

4 (5) The revitalization of depressed communities requires the  
5 stimulation of private investment, the development of new business  
6 ventures, the provision of capital to ventures sponsored by local  
7 organizations and capable of growth in the business markets, and  
8 assistance to viable, but under-financed, small businesses in order to  
9 create and preserve jobs that are sustainable in the local economy.

10 Therefore, the legislature declares there to be a substantial  
11 public purpose in providing capital to promote economic development and  
12 job creation in areas of economic stagnation, unemployment, and  
13 poverty. To accomplish this purpose, the legislature hereby creates  
14 the rural Washington loan fund and vests in the department of  
15 community(~~(, trade, and economic)~~) development the authority to spend  
16 federal funds to stimulate the economy of distressed areas.

17 **Sec. 343.** RCW 43.168.020 and 1999 c 164 s 502 are each amended to  
18 read as follows:

19 Unless the context clearly requires otherwise, the definitions in  
20 this section apply throughout this chapter.

21 (1) "Department" means the department of community(~~(, trade, and~~  
22 ~~economic)~~) development.

23 (2) "Director" means the director of community(~~(, trade, and~~  
24 ~~economic)~~) development.

25 (3) "Distressed area" means: (a) A rural county; (b) a county  
26 which has an unemployment rate which is twenty percent above the state  
27 average for the immediately previous three years; (c) a county that has  
28 a median household income that is less than seventy-five percent of the  
29 state median household income for the previous three years; (d) a  
30 metropolitan statistical area, as defined by the office of federal  
31 statistical policy and standards, United States department of commerce,  
32 in which the average level of unemployment for the calendar year  
33 immediately preceding the year in which an application is filed under  
34 this chapter exceeds the average state unemployment for such calendar  
35 year by twenty percent; (e) an area within a county, which area: (i)  
36 Is composed of contiguous census tracts; (ii) has a minimum population  
37 of five thousand persons; (iii) has at least seventy percent of its  
38 families and unrelated individuals with incomes below eighty percent of

1 the county's median income for families and unrelated individuals; and  
2 (iv) has an unemployment rate which is at least forty percent higher  
3 than the county's unemployment rate; or (f) a county designated as a  
4 rural natural resources impact area under RCW 43.31.601 if an  
5 application is filed by July 1, 1997. For purposes of this definition,  
6 "families and unrelated individuals" has the same meaning that is  
7 ascribed to that term by the federal department of housing and urban  
8 development in its regulations authorizing action grants for economic  
9 development and neighborhood revitalization projects.

10 (4) "Fund" means the rural Washington loan fund.

11 (5) "Local development organization" means a nonprofit organization  
12 which is organized to operate within an area, demonstrates a commitment  
13 to a long-standing effort for an economic development program, and  
14 makes a demonstrable effort to assist in the employment of unemployed  
15 or underemployed residents in an area.

16 (6) "Project" means the establishment of a new or expanded business  
17 in an area which when completed will provide employment opportunities.  
18 "Project" also means the retention of an existing business in an area  
19 which when completed will provide employment opportunities.

20 (7) "Rural county" means a county with a population density of  
21 fewer than one hundred persons per square mile as determined by the  
22 office of financial management.

23 **Sec. 344.** RCW 43.168.031 and 1995 c 399 s 92 are each amended to  
24 read as follows:

25 The Washington state development loan fund committee shall be  
26 terminated on June 30, 1994, and its powers and duties transferred to  
27 the director of the department of community(~~, trade, and economic~~)  
28 development.

29 **Sec. 345.** RCW 43.168.040 and 1987 c 461 s 3 are each amended to  
30 read as follows:

31 Subject to the restrictions contained in this chapter, the  
32 (~~committee~~) director is authorized to approve applications of local  
33 governments for federal community development block grant funds which  
34 the local governments would use to make loans to finance business  
35 projects within their jurisdictions. Applications approved by the  
36 (~~committee~~) director under this chapter shall conform to applicable  
37 federal requirements and shall be approved based upon the

1 recommendations of the director of the department of trade and economic  
2 development.

3 **Sec. 346.** RCW 43.168.050 and 1993 c 512 s 12 are each amended to  
4 read as follows:

5 (1) The ((committee)) director may only approve an application  
6 providing a loan for a project which the ((committee)) director finds:

7 (a) Will result in the creation of employment opportunities, the  
8 maintenance of threatened employment, or development or expansion of  
9 business ownership by minorities and women;

10 (b) Has been approved by the director as conforming to federal  
11 rules and regulations governing the spending of federal community  
12 development block grant funds;

13 (c) Will be of public benefit and for a public purpose, and that  
14 the benefits, including increased or maintained employment, improved  
15 standard of living, the employment of disadvantaged workers, and  
16 development or expansion of business ownership by minorities and women,  
17 will primarily accrue to residents of the area;

18 (d) Will probably be successful;

19 (e) Would probably not be completed without the loan because other  
20 capital or financing at feasible terms is unavailable or the return on  
21 investment is inadequate.

22 (2) The ((committee)) director shall, subject to federal block  
23 grant criteria, give higher priority to economic development projects  
24 that contain provisions for child care.

25 (3) The ((committee)) director may not approve an application if it  
26 fails to provide for adequate reporting or disclosure of financial data  
27 to the ((committee)) director. The ((committee)) director may require  
28 an annual or other periodic audit of the project books.

29 (4) The ((committee)) director may require that the project be  
30 managed in whole or in part by a local development organization and may  
31 prescribe a management fee to be paid to such organization by the  
32 recipient of the loan or grant.

33 (5)(a) Except as provided in (b) of this subsection, the  
34 ((committee)) director shall not approve any application which would  
35 result in a loan or grant in excess of three hundred fifty thousand  
36 dollars.

1 (b) The ((committee)) director may approve an application which  
2 results in a loan or grant of up to seven hundred thousand dollars if  
3 the application has been approved by the director.

4 (6) The ((committee)) director shall fix the terms and rates  
5 pertaining to its loans.

6 (7) Should there be more demand for loans than funds available for  
7 lending, the ((committee)) director shall provide loans for those  
8 projects which will lead to the greatest amount of employment or  
9 benefit to a community. In determining the "greatest amount of  
10 employment or benefit" the ((committee)) director shall also consider  
11 the employment which would be saved by its loan and the benefit  
12 relative to the community, not just the total number of new jobs or  
13 jobs saved.

14 (8) To the extent permitted under federal law the ((committee))  
15 director shall require applicants to provide for the transfer of all  
16 payments of principal and interest on loans to the rural Washington  
17 ((state-development)) loan fund created under this chapter. Under  
18 circumstances where the federal law does not permit the ((committee))  
19 director to require such transfer, the ((committee)) director shall  
20 give priority to applications where the applicants on their own  
21 volition make commitments to provide for the transfer.

22 (9) The ((committee)) director shall not approve any application to  
23 finance or help finance a shopping mall.

24 (10) For loans not made to minority and women-owned businesses, the  
25 ((committee)) director shall make at least eighty percent of the  
26 appropriated funds available to projects located in distressed areas,  
27 and may make up to twenty percent available to projects located in  
28 areas not designated as distressed. For loans not made to minority and  
29 women-owned businesses, the ((committee)) director shall not make funds  
30 available to projects located in areas not designated as distressed if  
31 the fund's net worth is less than seven million one hundred thousand  
32 dollars.

33 (11) If an objection is raised to a project on the basis of unfair  
34 business competition, the ((committee)) director shall evaluate the  
35 potential impact of a project on similar businesses located in the  
36 local market area. A grant may be denied by the ((committee)) director  
37 if a project is not likely to result in a net increase in employment  
38 within a local market area.

1 (12) For loans to minority and women-owned businesses who do not  
2 meet the credit criteria, the ((committee)) director may consider  
3 nontraditional credit standards to offset past discrimination that has  
4 precluded full participation of minority or women-owned businesses in  
5 the economy. For applicants with high potential who do not meet the  
6 credit criteria, the ((committee)) director shall consider developing  
7 alternative borrowing methods. For applicants denied loans due to  
8 credit problems, the ((committee)) director shall provide financial  
9 counseling within available resources and provide referrals to credit  
10 rehabilitation services. In circumstances of competing applications,  
11 priority shall be given to members of eligible groups which previously  
12 have been least served by this fund.

13 **Sec. 347.** RCW 43.180.040 and 1995 c 399 s 98 are each amended to  
14 read as follows:

15 (1) There is hereby established a public body corporate and  
16 politic, with perpetual corporate succession, to be known as the  
17 Washington state housing finance commission. The commission is an  
18 instrumentality of the state exercising essential government functions  
19 and, for purposes of the code, acts as a constituted authority on  
20 behalf of the state when it issues bonds pursuant to this chapter. The  
21 commission is a "public body" within the meaning of RCW 39.53.010.

22 (2) The commission shall consist of the following voting members:

23 (a) The state treasurer, ex officio;

24 (b) The director of community(~~, trade, and economic~~) development,  
25 ex officio;

28 governor with the consent of the senate;

29 (d) A representative of housing consumer interests, appointed by  
30 the governor with the consent of the senate;

31 (e) A representative of labor interests, appointed by the governor,  
32 with the consent of the senate, after consultation with representatives  
33 of organized labor;

34 (f) A representative of low-income persons, appointed by the  
35 governor with the consent of the senate;

36 (g) Five members of the public appointed by the governor, with the  
37 consent of the senate, on the basis of geographic distribution and  
38 their expertise in housing, real estate, finance, energy efficiency, or

1 construction, one of whom shall be appointed by the governor as chair  
2 of the commission and who shall serve on the commission and as chair of  
3 the commission at the pleasure of the governor.

4 The term of the persons appointed by the governor, other than the  
5 chair, shall be four years from the date of their appointment, except  
6 that the terms of three of the initial appointees shall be for two  
7 years from the date of their appointment. The governor shall designate  
8 the appointees who will serve the two-year terms. An appointee may be  
9 removed by the governor for cause pursuant to RCW 43.06.070 and  
10 43.06.080. The governor shall fill any vacancy in an appointed  
11 position by appointment for the remainder of the unexpired term. If  
12 the department of community development is abolished, the resulting  
13 vacancy shall be filled by a state official who shall be appointed to  
14 the commission by the governor. If this official occupies an office or  
15 position for which senate confirmation is not required, then his or her  
16 appointment to the commission shall be subject to the consent of the  
17 senate. The members of the commission shall be compensated in  
18 accordance with RCW 43.03.240 and may be reimbursed, solely from the  
19 funds of the commission, for expenses incurred in the discharge of  
20 their duties under this chapter, subject to the provisions of RCW  
21 43.03.050 and 43.03.060. A majority of the commission constitutes a  
22 quorum. Designees shall be appointed in such manner and shall exercise  
23 such powers as are specified by the rules of the commission.

24 (3) The commission may adopt an official seal and may select from  
25 its membership a vice chair, a secretary, and a treasurer. The  
26 commission shall establish rules concerning its exercise of the powers  
27 authorized by this chapter. The rules shall be adopted in conformance  
28 with chapter 34.05 RCW.

29 **Sec. 348.** RCW 43.180.200 and 1995 c 399 s 99 are each amended to  
30 read as follows:

31 For purposes of the code:

32 (1) The legislature reserves the right at any time to alter or  
33 change the structure, organization, programs, or activities of the  
34 commission and to terminate the commission, so long as the action does  
35 not impair any outstanding contracts entered into by the commission;

36 (2) Any net earnings of the commission beyond that necessary to  
37 retire its bonds and to carry out the purposes of this chapter shall  
38 not inure to the benefit of any person other than the state;

1 (3) Upon dissolution of the commission, title to all of its  
2 remaining property shall vest in the state;

3 (4) The commission constitutes the only housing finance agency of  
4 the state of Washington; and

5 (5) In order to take advantage of the maximum amount of tax exempt  
6 bonds for housing financing available pursuant to the code, any state  
7 ceiling with respect to housing shall be allocated in accordance with  
8 the following formula:

9 (a) Eighty percent of the state ceiling shall be allocated to the  
10 commission and twenty percent shall be allocated to the other issuing  
11 authorities in the state.

12 (b) The allocation to the issuing authorities other than the  
13 commission shall be distributed to such issuing authorities in amounts  
14 as determined following public notice by the department of community(~~(,~~  
15 ~~trade,~~ ~~and~~ ~~economic~~)) development pursuant to rules promulgated by it.  
16 The distribution shall be in response to applications received from  
17 such issuing authorities and shall be based on the following factors:  
18 (i) The amount of housing to be made available by such applicant; (ii)  
19 the population within the jurisdiction of the applicant; (iii)  
20 coordination with other applicable federal and state housing programs;  
21 (iv) the likelihood of implementing the proposed financing during that  
22 year; and (v) consistency with the plan of the commission. On or  
23 before February 1<sup>st</sup> of each year, the department of community(~~(,~~  
24 ~~and~~ ~~economic~~)) development shall distribute the state ceiling  
25 allocation among such issuing authorities and any unused portion shall  
26 be added to the allocation of the commission. Each issuing authority  
27 other than the commission shall confirm its allocation distribution by  
28 providing to the department of community(~~(,~~ ~~trade,~~ ~~and~~ ~~economic~~))  
29 development no later than June 1<sup>st</sup> a copy of an executed bond purchase  
30 contract or alternative documentation deemed sufficient by the  
31 commission to evidence the reasonable likelihood of the allocation  
32 distribution being fully used. Any portion of such allocation not so  
33 confirmed shall be added to the allocation of the commission on July  
34 1<sup>st</sup>. Prior to July 1<sup>st</sup>, the commission shall provide written notice of  
35 the allocation decrease to the affected issuing authority. The  
36 reallocation shall not limit the authority of the commission to assign  
37 a portion of its allocation pursuant to subsection (5)(c) of this  
38 section.

1 (c) The commission may assign a portion of its allocation to  
2 another issuing agency.

3 **Sec. 349.** RCW 43.180.220 and 1994 c 235 s 1 are each amended to  
4 read as follows:

5 The commission, in cooperation with the department of community(~~(,~~  
6 ~~trade,~~ and ~~economic~~)) development, and the state investment board,  
7 shall develop and implement a housing finance program that:

9 single-family home ownership, including a single condominium unit,  
10 located in the state of Washington;

11 (2) Requests the state investment board to make investments, within  
12 its policies and investment guidelines, in mortgage-backed securities  
13 that are collateralized by loans made within the state of Washington;

15 (3) Provides flexible loan underwriting guidelines, including but  
16 not limited to provisions that will allow reduced downpayment  
17 requirements for the purchaser.

7 department of community(~~(, trade, and economic)~~) development shall  
8 review and respond to those suggestions making necessary changes where  
9 feasible, making recommendations to the legislature where appropriate,  
10 and providing an explanation as to why suggested changes cannot be  
11 accomplished, if the suggestions cannot be acted upon.

12       **Sec. 356.** RCW 43.270.080 and 2001 c 48 s 4 are each amended to  
13 read as follows:

14       The department of community(~~(, trade, and economic)~~) development  
15 may receive such gifts, grants, and endowments from public or private  
16 sources as may be made from time to time, in trust or otherwise, for  
17 the use and benefit of the purposes of RCW 43.270.010 through

22       The Washington state sexual assault services advisory committee  
23 issued a report to the department of community, trade, and economic  
24 development and the department of social and health services in June of  
25 1995. The committee made several recommendations to improve the  
26 delivery of services to victims of sexual abuse and assault: (1)  
27 Consolidate the administration and funding of sexual assault and abuse  
28 services in one agency instead of splitting those functions between the  
29 department of social and health services and the department of  
30 community, trade, and economic development; (2) adopt a funding  
31 allocation plan to pool all funds for sexual assault services and to  
32 distribute them across the state to ensure the delivery of core and  
33 specialized services; (3) establish service, data collection, and  
34 management standards and outcome measurements for recipients of grants;  
35 and (4) create a data collection system to gather pertinent data  
36 concerning the delivery of sexual assault services to victims.

2 committee and consolidates the functions and funding for sexual assault  
3 services in the department of community(~~(, trade, and economic)~~)  
4 development to implement the advisory committee's recommendations.

5 The legislature does not intend to effect a reduction in service  
6 levels within available funding by transferring department of social

8 community(~~(, trade, and economic)~~) development. At a minimum, the  
9 department of community(~~(, trade, and economic)~~) development shall

25 initiatives to make the most effective use of resources to provide  
26 treatment services to these victims.

27 Funding shall be given to those applicants that emphasize providing

26 concerning access to the state highway system. Such rules shall remain  
27 in effect until repealed or replaced by the rules required by this  
28 chapter.

30 cooperation with counties, cities and towns, the department of  
31 community(~~(, trade, and economic)~~) development, regional transportation

17 efficient movement of people and goods within the state.
- 18 (d) Access management standards shall include, but not be limited  
19 to, connection location standards, safety factors, design and  
20 construction standards, desired levels of service, traffic control

26 **Sec. 371.** RCW 53.36.030 and 1996 c 66 s 1 are each amended to read  
27 as follows:

28 (1)(a) Except as provided in (b) of this subsection, a port  
29 district may at any time contract indebtedness or borrow money for  
30 district purposes and may issue general obligation bonds therefor not  
31 exceeding an amount, together with any existing indebtedness of the  
32 district not authorized by the voters, of one-fourth of one percent of  
33 the value of the taxable property in the district.

34 (b) Port districts having less than eight hundred million dollars  
35 in value of taxable property during 1991 may at any time contract  
36 indebtedness or borrow money for port district purposes and may issue  
37 general obligation bonds therefor not exceeding an amount, combined  
38 with existing indebtedness of the district not authorized by the

1 voters, of three-eighths of one percent of the value of the taxable  
2 property in the district. Prior to contracting for any indebtedness  
3 authorized by this subsection (1)(b), the port district must have a  
4 comprehensive plan for harbor improvements or industrial development  
5 and a long-term financial plan approved by the department of  
6 community(~~(, trade, and economic)~~) development. The department of  
7 community(~~(, trade, and economic)~~) development is immune from any  
8 liability for its part in reviewing or approving port district's  
9 improvement or development plans, or financial plans. Any indebtedness  
10 authorized by this subsection (1)(b) may be used only to acquire or  
11 construct a facility, and, prior to contracting for such indebtedness,  
12 the port district must have a lease contract for a minimum of five  
13 years for the facility to be acquired or constructed by the debt.

14 (2) With the assent of three-fifths of the voters voting thereon at  
15 a general or special port election called for that purpose, a port  
16 district may contract indebtedness or borrow money for district  
17 purposes and may issue general obligation bonds therefor provided the  
18 total indebtedness of the district at any such time shall not exceed  
19 three-fourths of one percent of the value of the taxable property in  
20 the district.

21 (3) In addition to the indebtedness authorized under subsections  
22 (1) and (2) of this section, port districts having less than two  
23 hundred million dollars in value of taxable property and operating a  
24 municipal airport may at any time contract indebtedness or borrow money  
25 for airport capital improvement purposes and may issue general  
26 obligation bonds therefor not exceeding an additional one-eighth of one  
27 percent of the value of the taxable property in the district without  
28 authorization by the voters; and, with the assent of three-fifths of  
29 the voters voting thereon at a general or special port election called  
30 for that purpose, may contract indebtedness or borrow money for airport  
31 capital improvement purposes and may issue general obligation bonds  
32 therefor for an additional three-eighths of one percent provided the  
33 total indebtedness of the district for all port purposes at any such  
34 time shall not exceed one and one-fourth percent of the value of the  
35 taxable property in the district.

36 (4) Any port district may issue general district bonds evidencing  
37 any indebtedness, payable at any time not exceeding fifty years from  
38 the date of the bonds. Any contract for indebtedness or borrowed money  
39 authorized by RCW 53.36.030(1)(b) shall not exceed twenty-five years.

1 The bonds shall be issued and sold in accordance with chapter 39.46  
2 RCW.

3 (5) Elections required under this section shall be held as provided  
4 in RCW 39.36.050.

5 (6) For the purpose of this section, "indebtedness of the district"  
6 shall not include any debt of a countywide district with a population  
7 less than twenty-five hundred people when the debt is secured by a  
8 mortgage on property leased to the federal government; and the term  
9 "value of the taxable property" shall have the meaning set forth in RCW  
10 39.36.015.

11 (7) This section does not apply to a loan made under a loan  
12 agreement under chapter 39.69 RCW, and a computation of indebtedness  
13 under this chapter must exclude the amount of a loan under such a loan  
14 agreement.

15 **Sec. 372.** RCW 54.16.285 and 1995 c 399 s 144 are each amended to  
16 read as follows:

17 (1) A district providing utility service for residential space  
18 heating shall not terminate such utility service between November 15<sup>th</sup>  
19 through March 15<sup>th</sup> if the customer:

20 (a) Notifies the utility of the inability to pay the bill,  
21 including a security deposit. This notice should be provided within  
22 five business days of receiving a payment overdue notice unless there  
23 are extenuating circumstances. If the customer fails to notify the  
24 utility within five business days and service is terminated, the  
25 customer can, by paying reconnection charges, if any, and fulfilling  
26 the requirements of this section, receive the protections of this  
27 chapter;

28 (b) Provides self-certification of household income for the prior  
29 twelve months to a grantee of the department of community(~~trade~~, and  
30 ~~economic~~) development which administers federally funded energy  
31 assistance programs. The grantee shall determine that the household  
32 income does not exceed the maximum allowed for eligibility under the  
33 state's plan for low-income energy assistance under 42 U.S.C. 8624 and  
34 shall provide a dollar figure that is seven percent of household  
35 income. The grantee may verify information provided in the self-  
36 certification;

37 (c) Has applied for home heating assistance from applicable  
38 government and private sector organizations and certifies that any

1 assistance received will be applied to the current bill and future  
2 utility bills;

3 (d) Has applied for low-income weatherization assistance to the  
4 utility or other appropriate agency if such assistance is available for  
5 the dwelling;

6 (e) Agrees to a payment plan and agrees to maintain the payment  
7 plan. The plan will be designed both to pay the past due bill by the  
8 following October 15<sup>th</sup> and to pay for continued utility service. If  
9 the past due bill is not paid by the following October 15<sup>th</sup>, the  
10 customer shall not be eligible for protections under this chapter until  
11 the past due bill is paid. The plan shall not require monthly payments  
12 in excess of seven percent of the customer's monthly income plus one-  
13 twelfth of any arrearage accrued from the date application is made and  
14 thereafter during November 15<sup>th</sup> through March 15<sup>th</sup>. A customer may  
15 agree to pay a higher percentage during this period, but shall not be  
16 in default unless payment during this period is less than seven percent  
17 of monthly income plus one-twelfth of any arrearage accrued from the  
18 date application is made and thereafter. If assistance payments are  
19 received by the customer subsequent to implementation of the plan, the  
20 customer shall contact the utility to reformulate the plan; and

21 (f) Agrees to pay the moneys owed even if he or she moves.

22 (2) The utility shall:

23 (a) Include in any notice that an account is delinquent and that  
24 service may be subject to termination, a description of the customer's  
25 duties in this section;

26 (b) Assist the customer in fulfilling the requirements under this  
27 section;

28 (c) Be authorized to transfer an account to a new residence when a  
29 customer who has established a plan under this section moves from one  
30 residence to another within the same utility service area;

31 (d) Be permitted to disconnect service if the customer fails to  
32 honor the payment program. Utilities may continue to disconnect  
33 service for those practices authorized by law other than for nonpayment  
34 as provided for in this section. Customers who qualify for payment  
35 plans under this section who default on their payment plans and are  
36 disconnected can be reconnected and maintain the protections afforded  
37 under this chapter by paying reconnection charges, if any, and by  
38 paying all amounts that would have been due and owing under the terms

1 of the applicable payment plan, absent default, on the date on which  
2 service is reconnected; and

3 (e) Advise the customer in writing at the time it disconnects  
4 service that it will restore service if the customer contacts the  
5 utility and fulfills the other requirements of this section.

6 (3) All districts providing utility service for residential space  
7 heating shall offer residential customers the option of a budget  
8 billing or equal payment plan. The budget billing or equal payment  
9 plan shall be offered low-income customers eligible under the state's  
10 plan for low-income energy assistance prepared in accordance with 42  
11 U.S.C. 8624(C)(1) without limiting availability to certain months of  
12 the year, without regard to the length of time the customer has  
13 occupied the premises, and without regard to whether the customer is  
14 the tenant or owner of the premises occupied.

15 (4) An agreement between the customer and the utility, whether oral  
16 or written, shall not waive the protections afforded under this  
17 chapter.

18 **Sec. 373.** RCW 54.52.010 and 1995 c 399 s 145 are each amended to  
19 read as follows:

20 A public utility district may include along with, or as part of its  
21 regular customer billings, a request for voluntary contributions to  
22 assist qualified low-income residential customers of the district in  
23 paying their electricity bills. All funds received by the district in  
24 response to such requests shall be transmitted to the grantee of the  
25 department of community(~~(, trade, and economic)~~) development which  
26 administers federally funded energy assistance programs for the state  
27 in the district's service area or to a charitable organization within  
28 the district's service area. All such funds shall be used solely to  
29 supplement assistance to low-income residential customers of the  
30 district in paying their electricity bills. The grantee or charitable  
31 organization shall be responsible to determine which of the district's  
32 customers are qualified for low-income assistance and the amount of  
33 assistance to be provided to those who are qualified.

34 **Sec. 374.** RCW 54.52.020 and 1995 c 399 s 146 are each amended to  
35 read as follows:

36 All assistance provided under this chapter shall be disbursed by  
37 the grantee or charitable organization. Where possible the public

1 utility district will be paid on behalf of the customer by the grantee  
2 or the charitable organization. When direct vendor payment is not  
3 feasible, a check will be issued jointly payable to the customer and  
4 the public utility district. The availability of funds for assistance  
5 to a district's low-income customers as a result of voluntary  
6 contributions shall not reduce the amount of assistance for which the  
7 district's customers are eligible under the federally funded energy  
8 assistance programs administered by the grantee of the department of  
9 community(~~(, trade, and economic)~~) development within the district's  
10 service area. The grantee or charitable organization shall provide the  
11 district with a quarterly report on January 15th, April 15th, July  
12 15th, and October 15th which includes information concerning the total  
13 amount of funds received from the district, the names of all recipients  
14 of assistance from these funds, the amount received by each recipient,  
15 and the amount of funds received from the district currently on hand  
16 and available for future low-income assistance.

17 **Sec. 375.** RCW 57.46.010 and 1996 c 230 s 1401 are each amended to  
18 read as follows:

19 A district may include along with, or as part of its regular  
20 customer billings, a request for voluntary contributions to assist  
21 qualified low-income residential customers of the district in paying  
22 their district bills. All funds received by the district in response  
23 to such requests shall be transmitted to the grantee of the department  
24 of community(~~(, trade, and economic)~~) development which administers  
25 federally funded energy assistance programs for the state in the  
26 district's service area or to a charitable organization within the  
27 district's service area. All such funds shall be used solely to  
28 supplement assistance to low-income residential customers of the  
29 district in paying their district bills. The grantee or charitable  
30 organization shall be responsible to determine which of the district's  
31 customers are qualified for low-income assistance and the amount of  
32 assistance to be provided to those who are qualified.

33 **Sec. 376.** RCW 57.46.020 and 1996 c 230 s 1402 are each amended to  
34 read as follows:

35 All assistance provided under this chapter shall be disbursed by  
36 the grantee or charitable organization. Where possible the district  
37 shall be paid on behalf of the customer by the grantee or the

1 charitable organization. When direct vendor payment is not feasible,  
2 a check shall be issued jointly payable to the customer and the  
3 district. The availability of funds for assistance to a district's  
4 low-income customers as a result of voluntary contributions shall not  
5 reduce the amount of assistance for which the district's customers are  
6 eligible under the federally funded energy assistance programs  
7 administered by the grantee of the department of community(~~(, trade,~~  
8 ~~and economic~~)) development within the district's service area. The  
9 grantee or charitable organization shall provide the district with a  
10 quarterly report on January 15th, April 15th, July 15th, and October  
11 15th which includes information concerning the total amount of funds  
12 received from the district, the names of all recipients of assistance  
13 from these funds, the amount received by each recipient, and the amount  
14 of funds received from the district currently on hand and available for  
15 future low-income assistance.

17 read as follows:

18 (1) Any city, town, county, or municipal corporation that is  
19 required to develop a comprehensive plan under RCW 36.70A.040(1) is  
20 authorized to require, after reasonable notice to the public and a  
21 public hearing, property owners to provide their portion of reasonable  
22 relocation assistance to low-income tenants upon the demolition,  
23 substantial rehabilitation whether due to code enforcement or any other  
24 reason, or change of use of residential property, or upon the removal  
25 of use restrictions in an assisted-housing development. No city, town,  
26 county, or municipal corporation may require property owners to provide  
27 relocation assistance to low-income tenants, as defined in this  
28 chapter, upon the demolition, substantial rehabilitation, upon the  
29 change of use of residential property, or upon the removal of use  
30 restrictions in an assisted-housing development, except as expressly  
31 authorized herein or when authorized or required by state or federal  
32 law. As used in this section, "assisted housing development" means a  
33 multifamily rental housing development that either receives government  
34 assistance and is defined as federally assisted housing in RCW

36 assistance and is subject to use restrictions.

37 (2) As used in this section, "low-income tenants" means tenants  
38 whose combined total income per dwelling unit is at or below fifty

7 (3) A requirement that property owners provide relocation  
8 assistance shall include the amounts of such assistance to be provided  
9 to low-income tenants. In determining such amounts, the jurisdiction

11 on, what relocation expenses displaced tenants would reasonably incur  
12 in that jurisdiction including:

13 (a) Actual physical moving costs and expenses;

14 (b) Advance payments required for moving into a new residence such  
15 as the cost of first and last month's rent and security and damage  
16 deposits;

25 assistance required under this subsection in order to reflect any  
26 changes in the housing component of the consumer price index as

34 property owner under (b) of this subsection shall be paid by the city,  
35 town, county, or municipal corporation authorized to require relocation  
36 assistance under subsection (1) of this section. The relocation  
37 assistance may be paid from proceeds collected from the excise tax  
38 imposed under RCW 82.46.010.

1 (5) A city, town, county, or municipal corporation requiring the  
2 provision of relocation assistance under this section shall adopt  
3 policies, procedures, or regulations to implement such requirement.  
4 Such policies, procedures, or regulations shall include provisions for  
5 administrative hearings to resolve disputes between tenants and  
6 property owners relating to relocation assistance or unlawful detainer  
7 actions during relocation, and shall require a decision within thirty  
8 days of a request for a hearing by either a tenant or property owner.

9 Judicial review of an administrative hearing decision relating to  
10 relocation assistance may be had by filing a petition, within ten days  
11 of the decision, in the superior court in the county where the  
12 residential property is located. Judicial review shall be confined to  
13 the record of the administrative hearing and the court may reverse the  
14 decision only if the administrative findings, inferences, conclusions,  
15 or decision is:

23 relocation assistance, under the terms of this section, for otherwise  
24 eligible tenants whose living arrangements are exempted from the  
25 provisions of this chapter under RCW 59.18.040(3) and if the living  
26 arrangement is considered to be a rental or lease not defined as a  
27 retail sale under RCW 82.04.050.

28 (7)(a) Persons who move from a dwelling unit prior to the  
29 application by the owner of the dwelling unit for any governmental  
30 permit necessary for the demolition, substantial rehabilitation, or  
31 change of use of residential property or prior to any notification or  
32 filing required for condominium conversion shall not be entitled to the  
33 assistance authorized by this section.

34 (b) Persons who move into a dwelling unit after the application for  
35 any necessary governmental permit or after any required condominium  
36 conversion notification or filing shall not be entitled to the  
37 assistance authorized by this section if such persons receive written  
38 notice from the property owner prior to taking possession of the  
39 dwelling unit that specifically describes the activity or condition

1 that may result in their temporary or permanent displacement and  
2 advises them of their ineligibility for relocation assistance.

21 federal law. Prior to the effective date of the final rules, the  
22 department and the public works board may establish and utilize

9 (2) For the purposes of applying the rules of this section, the

34 read as follows:

35 (1) Treatment services for children who have been sexually  
36 assaulted must be designed and delivered in a manner that accommodates  
37 their unique developmental needs and also considers the impact of

1 family dynamics on treatment issues. In addition, the complexity of  
2 the civil and criminal justice systems requires that children who are  
3 involved receive appropriate consideration and attention that  
4 recognizes their unique vulnerability in a system designed primarily  
5 for adults.

6 (2) The department of community(~~(, trade, and economic)~~)  
7 development shall provide, subject to available funds, comprehensive  
8 sexual assault services to sexually abused children and their families.

17 (4) As part of the request for proposal or request for

22 shall also ensure that victims exhaust private insurance benefits  
23 available to the child victim before providing services to the child

25 **Sec. 407.** RCW 79A.30.050 and 1995 c 200 s 6 are each amended to

31 activities and projects related to public recreation; the department of  
32 agriculture for projects related to the equine agricultural industry;

11 read as follows:

12 (1) A public hearing may be held prior to any withdrawal of state  
13 trust lands and shall be held prior to any revocation of withdrawal or  
14 modification of withdrawal of state trust lands used for recreational  
15 purposes by the department of natural resources or by other state  
16 agencies.

17 (2) The department shall cause notice of the withdrawal, revocation  
18 of withdrawal or modification of withdrawal of state trust lands as  
19 described in subsection (1) of this section to be published by  
20 advertisement once a week for four weeks prior to the public hearing in  
21 at least one newspaper published and of general circulation in the  
22 county or counties in which the state trust lands are situated, and by

29 involved in said hearing.

30 (3) The board of natural resources shall administer the hearing  
31 according to its prescribed rules and regulations.

32 (4) The board of natural resources shall determine the most  
33 beneficial use or combination of uses of the state trust lands. Its  
34 decision will be conclusive as to the matter: PROVIDED, HOWEVER, That

1       **Sec. 409.** RCW 80.28.010 and 1995 c 399 s 211 are each amended to  
2 read as follows:

3       (1) All charges made, demanded or received by any gas company,  
4 electrical company or water company for gas, electricity or water, or  
5 for any service rendered or to be rendered in connection therewith,  
6 shall be just, fair, reasonable and sufficient.

7       (2) Every gas company, electrical company and water company shall  
8 furnish and supply such service, instrumentalities and facilities as  
9 shall be safe, adequate and efficient, and in all respects just and  
10 reasonable.

11       (3) All rules and regulations issued by any gas company, electrical  
12 company or water company, affecting or pertaining to the sale or  
13 distribution of its product, shall be just and reasonable.

14       (4) Utility service for residential space heating shall not be  
15 terminated between November 15<sup>th</sup> through March 15<sup>th</sup> if the customer:

16       (a) Notifies the utility of the inability to pay the bill,  
17 including a security deposit. This notice should be provided within  
18 five business days of receiving a payment overdue notice unless there  
19 are extenuating circumstances. If the customer fails to notify the  
20 utility within five business days and service is terminated, the  
21 customer can, by paying reconnection charges, if any, and fulfilling  
22 the requirements of this section, receive the protections of this  
23 chapter;

24       (b) Provides self-certification of household income for the prior  
25 twelve months to a grantee of the department of community(~~(, trade, and~~  
26 ~~economic~~)) development which administers federally funded energy  
27 assistance programs. The grantee shall determine that the household  
28 income does not exceed the maximum allowed for eligibility under the  
29 state's plan for low-income energy assistance under 42 U.S.C. 8624 and  
30 shall provide a dollar figure that is seven percent of household  
31 income. The grantee may verify information provided in the self-  
32 certification;

33       (c) Has applied for home heating assistance from applicable  
34 government and private sector organizations and certifies that any  
35 assistance received will be applied to the current bill and future  
36 utility bills;

37       (d) Has applied for low-income weatherization assistance to the  
38 utility or other appropriate agency if such assistance is available for  
39 the dwelling;

1 (e) Agrees to a payment plan and agrees to maintain the payment  
2 plan. The plan will be designed both to pay the past due bill by the  
3 following October 15<sup>th</sup> and to pay for continued utility service. If  
4 the past due bill is not paid by the following October 15<sup>th</sup>, the  
5 customer shall not be eligible for protections under this chapter until  
6 the past due bill is paid. The plan shall not require monthly payments  
7 in excess of seven percent of the customer's monthly income plus one-  
8 twelfth of any arrearage accrued from the date application is made and  
9 thereafter during November 15<sup>th</sup> through March 15<sup>th</sup>. A customer may  
10 agree to pay a higher percentage during this period, but shall not be  
11 in default unless payment during this period is less than seven percent  
12 of monthly income plus one-twelfth of any arrearage accrued from the  
13 date application is made and thereafter. If assistance payments are  
14 received by the customer subsequent to implementation of the plan, the  
15 customer shall contact the utility to reformulate the plan; and

16 (f) Agrees to pay the moneys owed even if he or she moves.

17 (5) The utility shall:

18 (a) Include in any notice that an account is delinquent and that  
19 service may be subject to termination, a description of the customer's  
20 duties in this section;

21 (b) Assist the customer in fulfilling the requirements under this  
22 section;

23 (c) Be authorized to transfer an account to a new residence when a  
24 customer who has established a plan under this section moves from one  
25 residence to another within the same utility service area;

26 (d) Be permitted to disconnect service if the customer fails to  
27 honor the payment program. Utilities may continue to disconnect  
28 service for those practices authorized by law other than for nonpayment  
29 as provided for in this subsection. Customers who qualify for payment  
30 plans under this section who default on their payment plans and are  
31 disconnected can be reconnected and maintain the protections afforded  
32 under this chapter by paying reconnection charges, if any, and by  
33 paying all amounts that would have been due and owing under the terms  
34 of the applicable payment plan, absent default, on the date on which  
35 service is reconnected; and

36 (e) Advise the customer in writing at the time it disconnects  
37 service that it will restore service if the customer contacts the  
38 utility and fulfills the other requirements of this section.

1 (6) A payment plan implemented under this section is consistent  
2 with RCW 80.28.080.

3 (7) Every gas company and electrical company shall offer  
4 residential customers the option of a budget billing or equal payment  
5 plan. The budget billing or equal payment plan shall be offered low-  
6 income customers eligible under the state's plan for low-income energy  
7 assistance prepared in accordance with 42 U.S.C. 8624(C)(1) without  
8 limiting availability to certain months of the year, without regard to  
9 the length of time the customer has occupied the premises, and without  
10 regard to whether the customer is the tenant or owner of the premises  
11 occupied.

12 (8) Every gas company, electrical company and water company shall  
13 construct and maintain such facilities in connection with the  
14 manufacture and distribution of its product as will be efficient and  
15 safe to its employees and the public.

16 (9) An agreement between the customer and the utility, whether oral  
17 or written, shall not waive the protections afforded under this  
18 chapter.

19 (10) In establishing rates or charges for water service, water  
20 companies as defined in RCW 80.04.010 may consider the achievement of  
21 water conservation goals and the discouragement of wasteful water use  
22 practices.

23 **Sec. 410.** RCW 82.14.330 and 1998 c 321 s 13 are each amended to  
24 read as follows:

25 (1) Beginning in fiscal year 2000, the state treasurer shall  
26 transfer into the municipal criminal justice assistance account for  
27 distribution under this section from the general fund the sum of four  
28 million six hundred thousand dollars divided into four equal deposits  
29 occurring on July 1<sup>st</sup>, October 1<sup>st</sup>, January 1<sup>st</sup>, and April 1<sup>st</sup>. For  
30 each fiscal year thereafter, the state treasurer shall increase the  
31 total transfer by the fiscal growth factor, as defined in RCW  
32 43.135.025, forecast for that fiscal year by the office of financial  
33 management in November of the preceding year. The moneys deposited in  
34 the municipal criminal justice assistance account for distribution  
35 under this section, less any moneys appropriated for purposes under  
36 subsection (4) of this section, shall be distributed to the cities of  
37 the state as follows:

1 (a) Twenty percent appropriated for distribution shall be  
2 distributed to cities with a three-year average violent crime rate for  
3 each one thousand in population in excess of one hundred fifty percent  
4 of the statewide three-year average violent crime rate for each one  
5 thousand in population. The three-year average violent crime rate  
6 shall be calculated using the violent crime rates for each of the  
7 preceding three years from the annual reports on crime in Washington  
8 state as published by the Washington association of sheriffs and police  
9 chiefs. Moneys shall be distributed under this subsection (1)(a)  
10 ratably based on population as last determined by the office of  
11 financial management, but no city may receive more than one dollar per  
12 capita. Moneys remaining undistributed under this subsection at the  
13 end of each calendar year shall be distributed to the criminal justice  
14 training commission to reimburse participating city law enforcement  
15 agencies with ten or fewer full-time commissioned patrol officers the  
16 cost of temporary replacement of each officer who is enrolled in basic  
17 law enforcement training, as provided in RCW 43.101.200.

18 (b) Sixteen percent shall be distributed to cities ratably based on  
19 population as last determined by the office of financial management,  
20 but no city may receive less than one thousand dollars.

21 The moneys deposited in the municipal criminal justice assistance  
22 account for distribution under this subsection shall be distributed at  
23 such times as distributions are made under RCW 82.44.150.

24 Moneys distributed under this subsection shall be expended  
25 exclusively for criminal justice purposes and shall not be used to  
26 replace or supplant existing funding. Criminal justice purposes are  
27 defined as activities that substantially assist the criminal justice  
28 system, which may include circumstances where ancillary benefit to the  
29 civil justice system occurs, and which includes domestic violence  
30 services such as those provided by domestic violence programs,  
31 community advocates, and legal advocates, as defined in RCW 70.123.020.  
32 Existing funding for purposes of this subsection is defined as calendar  
33 year 1989 actual operating expenditures for criminal justice purposes.  
34 Calendar year 1989 actual operating expenditures for criminal justice  
35 purposes exclude the following: Expenditures for extraordinary events  
36 not likely to reoccur, changes in contract provisions for criminal  
37 justice services, beyond the control of the local jurisdiction  
38 receiving the services, and major nonrecurring capital expenditures.

1 (2) In addition to the distributions under subsection (1) of this  
2 section:

3 (a) Fourteen percent shall be distributed to cities that have  
4 initiated innovative law enforcement strategies, including alternative  
5 sentencing and crime prevention programs. No city may receive more  
6 than one dollar per capita under this subsection (2)(a).

7 (b) Twenty percent shall be distributed to cities that have  
8 initiated programs to help at-risk children or child abuse victim  
9 response programs. No city may receive more than fifty cents per  
10 capita under this subsection (2)(b).

11 (c) Twenty percent shall be distributed to cities that have  
12 initiated programs designed to reduce the level of domestic violence  
13 within their jurisdictions or to provide counseling for domestic  
14 violence victims. No city may receive more than fifty cents per capita  
15 under this subsection (2)(c).

16 (d) Ten percent shall be distributed to cities that contract with  
17 another governmental agency for a majority of the city's law  
18 enforcement services.

19 Moneys distributed under this subsection shall be distributed to  
20 those cities that submit funding requests under this subsection to the  
21 department of community(~~(, trade, and economic)~~) development based on  
22 criteria developed under RCW 82.14.335. Allocation of funds shall be  
23 in proportion to the population of qualified jurisdictions, but the  
24 distribution to a city shall not exceed the amount of funds requested.  
25 Cities shall submit requests for program funding to the department of  
26 community(~~(, trade, and economic)~~) development by November 1<sup>st</sup> of each  
27 year for funding the following year. The department shall certify to  
28 the state treasurer the cities eligible for funding under this  
29 subsection and the amount of each allocation.

30 The moneys deposited in the municipal criminal justice assistance  
31 account for distribution under this subsection, less any moneys  
32 appropriated for purposes under subsection (4) of this section, shall  
33 be distributed at the times as distributions are made under RCW  
34 82.44.150. Moneys remaining undistributed under this subsection at the  
35 end of each calendar year shall be distributed to the criminal justice  
36 training commission to reimburse participating city law enforcement  
37 agencies with ten or fewer full-time commissioned patrol officers the  
38 cost of temporary replacement of each officer who is enrolled in basic  
39 law enforcement training, as provided in RCW 43.101.200.

1 If a city is found by the state auditor to have expended funds  
2 received under this subsection in a manner that does not comply with  
3 the criteria under which the moneys were received, the city shall be  
4 ineligible to receive future distributions under this subsection until  
5 the use of the moneys are justified to the satisfaction of the director  
6 or are repaid to the state general fund. The director may allow  
7 noncomplying use of moneys received under this subsection upon a  
8 showing of hardship or other emergent need.

9 (3) Notwithstanding other provisions of this section, the  
10 distributions to any city that substantially decriminalizes or repeals  
11 its criminal code after July 1, 1990, and that does not reimburse the  
12 county for costs associated with criminal cases under RCW 3.50.800 or  
13 3.50.805(2), shall be made to the county in which the city is located.

14 (4) Not more than five percent of the funds deposited to the  
15 municipal criminal justice assistance account shall be available for  
16 appropriations for enhancements to the state patrol crime laboratory  
17 system and the continuing costs related to these enhancements. Funds  
18 appropriated from this account for such enhancements shall not supplant  
19 existing funds from the state general fund.

20 **Sec. 411.** RCW 82.14.335 and 1995 c 399 s 213 are each amended to  
21 read as follows:

22 The department of community(~~(, trade, and economic)~~) development  
23 shall adopt criteria to be used in making grants to cities under RCW  
24 82.14.330(2). In developing the criteria, the department shall create  
25 a temporary advisory committee consisting of the director of  
26 community(~~(, trade, and economic)~~) development, two representatives  
27 nominated by the association of Washington cities, and two  
28 representatives nominated by the Washington association of sheriffs and

18 (e) "Qualifying person" means a Washington resident who applies for  
19 assistance and qualifies for a grant regardless of whether that person  
20 receives a grant.

21 (f) "Qualifying contribution" means money given by a light and  
22 power business or a gas distribution business to a qualifying

26 contractual agreement with the department of community(~~(, trade, and~~  
27 ~~economic~~)) development to administer in a specified service area low-

29 government and such other funds that may be received by the entity.

30 (2) Subject to the limitations in this section, a light and power  
31 business or a gas distribution business may take a credit each fiscal

34 dollar amount of qualifying contributions for the fiscal year in which  
35 the tax credit is taken is greater than one hundred twenty-five percent  
36 of the dollar amount of qualifying contributions given in fiscal year  
37 2000.

38 (ii) If no qualifying contributions were given in fiscal year 2000,  
39 a credit shall be allowed for the first fiscal year that qualifying

6 the tax credit is taken.

7 (b)(i) A credit may be taken for billing discounts if the dollar  
8 amount of billing discounts for the fiscal year in which the tax credit  
9 is taken is greater than one hundred twenty-five percent of the dollar  
10 amount of billing discounts given in fiscal year 2000.

11 (ii) If no billing discounts were given in fiscal year 2000, a  
12 credit shall be allowed in the first fiscal year that billing discounts  
13 are given. Thereafter, credit shall be allowed if the dollar amount of

15 billing discounts given in the first fiscal year.

16 (iii) The amount of credit shall be fifty percent of the dollar  
17 amount of the billing discounts given in the fiscal year in which the

24 By May 1st of each year starting in 2002, the department of  
25 community(~~(, trade, and economic)~~) development shall notify the  
26 department of revenue in writing of the grants received in the current  
27 fiscal year by each light and power business and gas distribution  
28 business.

29 (4)(a) Not later than June 1st of each year beginning in 2002, the  
30 department shall publish the base credit for each light and power  
31 business and gas distribution business for the next fiscal year.

32 (b) Not later than July 1st of each year beginning in 2002,  
33 application for credit must be made to the department including but not  
34 limited to the following information: Billing discounts given by the  
35 applicant in fiscal year 2000; qualifying contributions given by the  
36 applicant in the prior fiscal year; the amount of money received in the  
37 prior fiscal year from customers for the purpose of assisting other  
38 customers; the base credit for the next fiscal year for the applicant;  
39 the qualifying contributions anticipated to be given in the next fiscal

1 year; and billing discounts anticipated to be given in the next fiscal  
2 year. No credit under this section will be allowed to a light and  
3 power business or gas distribution business that does not file the  
4 application by July 1st.

5 (c) Not later than August 1st of each year beginning in 2002, the  
6 department shall notify each applicant of the amount of credit that may  
7 be taken in that fiscal year.

8 (d) The balance of base credits not used by other light and power  
9 businesses and gas distribution businesses shall be ratably distributed  
10 to applicants under the formula in subsection (1)(a) of this section.  
11 The total amount of credit that may be taken by an applicant is the  
12 base credit plus any ratable portion of unused base credit.

13 (5) The credit taken under this section is limited to the amount of  
14 tax imposed under this chapter for the fiscal year. The credit must be  
15 claimed in the fiscal year in which the billing reduction is made. Any  
16 unused credit expires. Refunds shall not be given in place of credits.

17 (6) No credit may be taken for billing discounts made before July  
18 1, 2001. Within two weeks of May 8, 2001, the department of  
19 community(~~(, trade, and economic)~~) development shall notify the  
20 department of revenue in writing of the grants received in fiscal year  
21 2001 by each light and power business and gas distribution business.  
22 Within four weeks of May 8, 2001, the department of revenue shall  
23 publish the base credit for each light and power business and gas  
24 distribution business for fiscal year 2002. Within eight weeks of May  
25 8, 2001, application to the department must be made showing the  
26 information required in subsection (4)(b) of this section. Within  
27 twelve weeks of May 8, 2001, the department shall notify each applicant  
28 of the amount of credit that may be taken in fiscal year 2002.

29 **Sec. 413.** RCW 82.34.075 and 2001 c 214 s 32 are each amended to  
30 read as follows:

31 (1) The following definitions apply throughout this section:

32 (a) "Qualifying facility" means an air pollution control facility  
33 as that term is defined in RCW 82.34.010(1)(a) to be installed or  
34 acquired for a thermal electric peaking plant with a capacity of less  
35 than one hundred megawatts and which is approved pursuant to the  
36 Washington clean air act, chapter 70.94 RCW.

37 (b) "Thermal electric peaking plant" means a natural gas-fired  
38 thermal electric generating facility operated by a light and power

1 business and placed into service between January 1, 1978, and December  
2 31, 1984, and that is registered for the calendar year 2000 pursuant to  
3 RCW 70.94.151.

4 (c) "Light and power business" has the same meaning as in RCW  
5 82.16.010.

6 (2) A light and power business is exempt from sales tax on the  
7 installation or acquisition of up to two qualifying facilities after  
8 January 1, 2001, as provided in this section. Upon written request of  
9 a light and power business to which the approval issued under chapter  
10 70.94 RCW is attached, the department shall make a determination as to  
11 whether a plant is a thermal electric peaking plant acquiring or  
12 installing a qualifying facility eligible under this section. The  
13 department shall consult with the department of community(~~(, trade, and~~  
14 ~~economic~~)) development and the department of ecology in making the  
15 determination. If the determination is in the affirmative, the  
16 department shall issue the light and power business a sales and use tax  
17 exemption certificate in a form and manner as deemed appropriate by the  
18 department.

19 (3) The charges for installation or acquisition of a qualifying  
20 facility by the holder of the certificate are exempt from sales tax  
21 imposed under chapter 82.08 RCW and use tax imposed under chapter 82.12  
22 RCW. The purchaser must provide the seller with a copy of the sales  
23 and use tax exemption certificate. The seller shall retain a copy of  
24 the certificate for the seller's files.

25 (4) The exemption in this section is limited to the installation or  
26 acquisition of a qualifying facility and does not apply to servicing,  
27 maintenance, operation, or repairs of a thermal electric peaking plant  
28 or of an air pollution control facility.

29 (5) This section expires June 30, 2003.

30 **Sec. 414.** RCW 84.36.560 and 2001 1st sp.s. c 7 s 1 are each  
31 amended to read as follows:

32 (1) The real and personal property owned or used by a nonprofit  
33 entity in providing rental housing for very low-income households or  
34 used to provide space for the placement of a mobile home for a very  
35 low-income household within a mobile home park is exempt from taxation  
36 if:

37 (a) The benefit of the exemption inures to the nonprofit entity;

1 (b) At least seventy-five percent of the occupied dwelling units in  
2 the rental housing or lots in a mobile home park are occupied by a very  
3 low-income household; and

4 (c) The rental housing or lots in a mobile home park were insured,  
5 financed, or assisted in whole or in part through:

6 (i) A federal or state housing program administered by the  
7 department of community(~~(, trade, and economic)~~) development; or

8 (ii) An affordable housing levy authorized under RCW 84.52.105.

9 (2) If less than seventy-five percent of the occupied dwelling  
10 units within the rental housing or lots in the mobile home park are  
11 occupied by very low-income households, the rental housing or mobile  
12 home park is eligible for a partial exemption on the real property and  
13 a total exemption of the housing's or park's personal property as  
14 follows:

15 (a) A partial exemption shall be allowed for each dwelling unit in  
16 the rental housing or for each lot in a mobile home park occupied by a  
17 very low-income household.

18 (b) The amount of exemption shall be calculated by multiplying the  
19 assessed value of the property reasonably necessary to provide the  
20 rental housing or to operate the mobile home park by a fraction. The  
21 numerator of the fraction is the number of dwelling units or lots  
22 occupied by very low-income households as of December 31st of the first  
23 assessment year in which the rental housing or mobile home park becomes  
24 operational or on January 1st of each subsequent assessment year for  
25 which the exemption is claimed. The denominator of the fraction is the  
26 total number of dwelling units or lots occupied as of December 31st of  
27 the first assessment year the rental housing or mobile home park  
28 becomes operational and January 1st of each subsequent assessment year  
29 for which exemption is claimed.

30 (3) If a currently exempt rental housing unit in a facility with  
31 ten units or fewer or mobile home lot in a mobile home park with ten  
32 lots or fewer was occupied by a very low-income household at the time  
33 the exemption was granted and the income of the household subsequently  
34 rises above fifty percent of the median income but remains at or below  
35 eighty percent of the median income, the exemption will continue as  
36 long as the housing continues to meet the certification requirements of  
37 a very low-income housing program administered by the department of  
38 community(~~(, trade, and economic)~~) development or the affordable  
39 housing levy under RCW 84.52.105. For purposes of this section, median

1 income, as most recently determined by the federal department of  
2 housing and urban development for the county in which the rental  
3 housing or mobile home park is located, shall be adjusted for family  
4 size. However, if a dwelling unit or a lot becomes vacant and is  
5 subsequently rerented, the income of the new household must be at or  
6 below fifty percent of the median income adjusted for family size as  
7 most recently determined by the federal department of housing and urban  
8 development for the county in which the rental housing or mobile home  
9 park is located to remain exempt from property tax.

10 (4) If at the time of initial application the property is  
11 unoccupied, or subsequent to the initial application the property is  
12 unoccupied because of renovations, and the property is not currently  
13 being used for the exempt purpose authorized by this section but will  
14 be used for the exempt purpose within two assessment years, the  
15 property shall be eligible for a property tax exemption for the  
16 assessment year in which the claim for exemption is submitted under the  
17 following conditions:

18 (a) A commitment for financing to acquire, construct, renovate, or  
19 otherwise convert the property to provide housing for very low-income  
20 households has been obtained, in whole or in part, by the nonprofit  
21 entity claiming the exemption from:

22 (i) A federal or state housing program administered by the  
23 department of community(~~(, trade, and economic)~~) development; or

24 (ii) An affordable housing levy authorized under RCW 84.52.105;

25 (b) The nonprofit entity has manifested its intent in writing to  
26 construct, remodel, or otherwise convert the property to housing for  
27 very low-income households; and

28 (c) Only the portion of property that will be used to provide  
29 housing or lots for very low-income households shall be exempt under  
30 this section.

31 (5) To be exempt under this section, the property must be used  
32 exclusively for the purposes for which the exemption is granted, except  
33 as provided in RCW 84.36.805.

34 (6) The nonprofit entity qualifying for a property tax exemption  
35 under this section may agree to make payments to the city, county, or  
36 other political subdivision for improvements, services, and facilities  
37 furnished by the city, county, or political subdivision for the benefit  
38 of the rental housing. However, these payments shall not exceed the

1 amount last levied as the annual tax of the city, county, or political  
2 subdivision upon the property prior to exemption.

3 (7) As used in this section:

4 (a) "Group home" means a single-family dwelling financed, in whole  
5 or in part, by the department of community(~~(, trade, and economic)~~)  
6 development or by an affordable housing levy under RCW 84.52.105. The  
7 residents of a group home shall not be considered to jointly constitute  
8 a household, but each resident shall be considered to be a separate  
9 household occupying a separate dwelling unit. The individual incomes  
10 of the residents shall not be aggregated for purposes of this  
11 exemption;

12 (b) "Mobile home lot" or "mobile home park" means the same as these  
13 terms are defined in RCW 59.20.030;

14 (c) "Occupied dwelling unit" means a living unit that is occupied  
15 by an individual or household as of December 31st of the first  
16 assessment year the rental housing becomes operational or is occupied  
17 by an individual or household on January 1st of each subsequent  
18 assessment year in which the claim for exemption is submitted. If the  
19 housing facility is comprised of three or fewer dwelling units and  
20 there are any unoccupied units on January 1st, the department shall  
21 base the amount of the exemption upon the number of occupied dwelling  
22 units as of December 31st of the first assessment year the rental  
23 housing becomes operational and on May 1st of each subsequent  
24 assessment year in which the claim for exemption is submitted;

25 (d) "Rental housing" means a residential housing facility or group  
26 home that is occupied but not owned by very low-income households;

27 (e) "Very low-income household" means a single person, family, or  
28 unrelated persons living together whose income is at or below fifty  
29 percent of the median income adjusted for family size as most recently  
30 determined by the federal department of housing and urban development  
31 for the county in which the rental housing is located and in effect as  
32 of January 1st of the year the application for exemption is submitted;  
33 and

34 (f) "Nonprofit entity" means a:

35 (i) Nonprofit as defined in RCW 84.36.800 that is exempt from  
36 income tax under section 501(c) of the federal internal revenue code;

37 (ii) Limited partnership where a nonprofit as defined in RCW  
38 84.36.800 that is exempt from income tax under section 501(c) of the  
39 federal internal revenue code, a public corporation established under

1 RCW 35.21.660, 35.21.670, or 35.21.730, a housing authority created  
2 under RCW 35.82.030 or 35.82.300, or a housing authority meeting the  
3 definition in RCW 35.82.210(2)(a) is a general partner; or

4 (iii) Limited liability company where a nonprofit as defined in RCW  
5 84.36.800 that is exempt from income tax under section 501(c) of the  
6 federal internal revenue code, a public corporation established under  
7 RCW 35.21.660, 35.21.670, or 35.21.730, a housing authority established  
8 under RCW 35.82.030 or 35.82.300, or a housing authority meeting the  
9 definition in RCW 35.82.210(2)(a) is a managing member.

10 **Sec. 415.** RCW 88.02.053 and 1996 c 3 s 2 are each amended to read  
11 as follows:

12 (1) The maritime historic restoration and preservation account is  
13 created in the custody of the state treasurer. All receipts from the  
14 voluntary donations made simultaneously with the registration of  
15 vessels under chapter 88.02 RCW shall be deposited into this account.  
16 These deposits are not public funds and are not subject to allotment  
17 procedures under chapter 43.88 RCW.

18 (2) At the end of each fiscal year, the state treasurer shall pay  
19 from this account to the department of licensing an amount equal to the  
20 reasonable administrative expenses of that agency for that fiscal year  
21 for collecting the voluntary donations and transmitting them to the  
22 state treasurer and shall pay to the state treasurer an amount equal to  
23 the reasonable administrative expenses of that agency for that fiscal  
24 year for maintaining the account and disbursing funds from the account.

25 (3) At the end of each fiscal year, the state treasurer shall pay  
26 one-half of the balance of the funds in the account after payment of  
27 the administrative costs provided in subsection (2) of this section, to  
28 the Grays Harbor historical seaport or its corporate successor and the  
29 remainder to the Steamer Virginia V foundation or its corporate  
30 successor.

31 (4) If either the Grays Harbor historical seaport and its corporate  
32 successors or the Steamer Virginia V foundation and its corporate  
33 successors legally ceases to exist, the state treasurer shall, at the  
34 end of each fiscal year, pay the balance of the funds in the account to  
35 the remaining organization.

36 (5) If both the Grays Harbor historical seaport and its corporate  
37 successors and the Steamer Virginia V foundation and its corporate  
38 successors legally cease to exist, the department of licensing shall

1 discontinue the collection of the voluntary donations in conjunction  
2 with the registration of vessels under RCW 88.02.052, and the balance  
3 of the funds in the account escheat to the state. If funds in the  
4 account escheat to the state, one-half of the fund balance shall be  
5 provided to the office of archaeology and historic preservation and the  
6 remainder shall be deposited into the parks renewal and stewardship  
7 account.

8 (6) The secretary of state, the directors of the state historical  
9 societies, the director of the office of archaeology and historic  
10 preservation within the department of community(~~(, trade, and~~  
11 ~~economic~~)) development, and two members representing the recreational  
12 boating community appointed by the secretary of state, shall review the  
13 success of the voluntary donation program for maritime historic  
14 restoration and preservation established under RCW 88.02.052 and report  
15 their findings to the appropriate legislative committees by January 31,  
16 1998. The findings must include the progress of the program and the  
17 potential to expand the voluntary funding to other historic vessels.

18 **Sec. 416.** RCW 90.03.247 and 1996 c 186 s 523 are each amended to  
19 read as follows:

20 Whenever an application for a permit to make beneficial use of  
21 public waters is approved relating to a stream or other water body for  
22 which minimum flows or levels have been adopted and are in effect at  
23 the time of approval, the permit shall be conditioned to protect the  
24 levels or flows. No agency may establish minimum flows and levels or  
25 similar water flow or level restrictions for any stream or lake of the  
26 state other than the department of ecology whose authority to establish  
27 is exclusive, as provided in chapter 90.03 RCW and RCW 90.22.010 and  
28 90.54.040. The provisions of other statutes, including but not limited  
29 to RCW (~~(75.20.100)~~) 77.55.100 and chapter 43.21C RCW, may not be  
30 interpreted in a manner that is inconsistent with this section. In  
31 establishing such minimum flows, levels, or similar restrictions, the  
32 department shall, during all stages of development by the department of  
33 ecology of minimum flow proposals, consult with, and carefully consider  
34 the recommendations of, the department of fish and wildlife, the  
35 department of community(~~(, trade, and economic)~~) development, the  
36 department of agriculture, and representatives of the affected Indian  
37 tribes. Nothing herein shall preclude the department of fish and  
38 wildlife, the department of community(~~(, trade, and economic)~~)

1 development, or the department of agriculture from presenting its views  
2 on minimum flow needs at any public hearing or to any person or agency,  
3 and the department of fish and wildlife, the department of community(~~(~~

31 **PART IV**  
32 **REFERENCES TO DEPARTMENT OF**  
33 **TRADE AND ECONOMIC DEVELOPMENT**

34 **Sec. 501.** RCW 19.27A.020 and 1998 c 245 s 8 are each amended to  
35 read as follows:

1 (1) No later than January 1, 1991, the state building code council  
2 shall adopt rules to be known as the Washington state energy code as  
3 part of the state building code.

4 (2) The council shall follow the legislature's standards set forth  
5 in this section to adopt rules to be known as the Washington state  
6 energy code. The Washington state energy code shall be designed to  
7 require new buildings to meet a certain level of energy efficiency, but  
8 allow flexibility in building design, construction, and heating  
9 equipment efficiencies within that framework. The Washington state  
10 energy code shall be designed to allow space heating equipment  
11 efficiency to offset or substitute for building envelope thermal  
12 performance.

13 (3) The Washington state energy code shall take into account  
14 regional climatic conditions. Climate zone 1 shall include all  
15 counties not included in climate zone 2. Climate zone 2 includes:  
16 Adams, Chelan, Douglas, Ferry, Grant, Kittitas, Lincoln, Okanogan, Pend  
17 Oreille, Spokane, Stevens, and Whitman counties.

18 (4) The Washington state energy code for residential buildings  
19 shall require:

20 (a) New residential buildings that are space heated with electric  
21 resistance heating systems to achieve energy use equivalent to that  
22 used in typical buildings constructed with:

23 (i) Ceilings insulated to a level of R-38. The code shall contain  
24 an exception which permits single rafter or joist vaulted ceilings  
25 insulated to a level of R-30 (R value includes insulation only);

26 (ii) In zone 1, walls insulated to a level of R-19 (R value  
27 includes insulation only), or constructed with two by four members,  
28 R-13 insulation batts, R-3.2 insulated sheathing, and other normal  
29 assembly components; in zone 2 walls insulated to a level of R-24 (R  
30 value includes insulation only), or constructed with two by six  
31 members, R-22 insulation batts, R-3.2 insulated sheathing, and other  
32 normal construction assembly components; for the purpose of determining  
33 equivalent thermal performance, the wall U-value shall be 0.058 in zone  
34 1 and 0.044 in zone 2;

35 (iii) Below grade walls, insulated on the interior side, to a level  
36 of R-19 or, if insulated on the exterior side, to a level of R-10 in  
37 zone 1 and R-12 in zone 2 (R value includes insulation only);

38 (iv) Floors over unheated spaces insulated to a level of R-30 (R  
39 value includes insulation only);

1 (v) Slab on grade floors insulated to a level of R-10 at the  
2 perimeter;

3 (vi) Double glazed windows with values not more than U-0.4;

4 (vii) In zone 1 the glazing area may be up to twenty-one percent of  
5 floor area and in zone 2 the glazing area may be up to seventeen  
6 percent of floor area where consideration of the thermal resistance  
7 values for other building components and solar heat gains through the  
8 glazing result in thermal performance equivalent to that achieved with  
9 thermal resistance values for other components determined in accordance  
10 with the equivalent thermal performance criteria of (a) of this  
11 subsection and glazing area equal to fifteen percent of the floor area.  
12 Throughout the state for the purposes of determining equivalent thermal  
13 performance, the maximum glazing area shall be fifteen percent of the  
14 floor area; and

15 (viii) Exterior doors insulated to a level of R-5; or an exterior  
16 wood door with a thermal resistance value of less than R-5 and values
