1 AN ACT Relating to funds for operating and maintenance of low-
2 income housing projects and for innovative housing demonstration
3 projects; amending RCW 36.18.010; adding a new section to chapter
4 36.22 RCW; adding a new section to chapter 43.330 RCW; and
5 creating a new section.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

7 NEW SECTION. **Sec. 1.** The legislature recognizes housing
8 affordability has become a significant problem for a large portion
9 of society in many parts of Washington state in recent years. The
10 state has traditionally focused its resources on housing for low-
11 income populations. Additional funding resources are needed for
12 operation and maintenance activities for housing projects for the
13 developmentally disabled and farm worker housing projects. In
14 addition to supporting low-income populations, the state must find
15 new methods to assist moderate and middle-income populations who
16 are having a difficult time affording decent housing at today's
17 prices reasonably near their jobs.

18

1 NEW SECTION. **Sec. 2.** A new section is added to chapter 36.22
2 RCW to read as follows:

3 (1) Except as provided in subsection (2) of this section, a
4 surcharge of three dollars per instrument shall be charged by the
5 county auditor for each document recorded, which will be in
6 addition to any other charge authorized by law. The auditor may
7 retain up to ten percent of these funds collected to administer
8 the collection of these funds. Of the remaining funds, forty
9 percent of the revenue generated through this surcharge will be
10 transmitted monthly to the state treasurer who will deposit the
11 funds into the Washington housing trust account. The office of
12 community development of the department of community, trade, and
13 economic development will develop guidelines for the use of these
14 funds to support operation and maintenance costs of low-income
15 housing projects that have been developed with housing trust
16 funds. Sixty percent of the revenue generated by this surcharge
17 will be retained by the county and be deposited into a fund that
18 must be used by the county and its cities and towns for low-income
19 housing projects. For purposes of distributing the portion of the
20 surcharge retained by a county pursuant to subsection (2) of this
21 section, the funds shall be allocated among the county and the
22 cities within a county through an interlocal agreement between the
23 county and the cities within the county to jointly carry out the
24 purposes of this act.

25 (2) The surcharge imposed in this section does not apply to
26 assignments or substitutions of previously recorded deeds of
27 trust.
