1 AN ACT Relating to the community economic revitalization board;  
2 reenacting and amending RCW 43.84.092; adding a new section to chapter  
3 43.84 RCW; creating new sections; and providing an expiration date.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** The legislature finds that the community  
6 economic revitalization board plays a valuable and unique role in  
7 stimulating and diversifying local economies, attracting private  
8 investment, creating new jobs, and generating additional state and  
9 local tax revenues by investing in public facilities projects that  
10 result in new or expanded economic development. The legislature also  
11 finds that it is in the best interest of the state and local  
12 communities to secure a stable and dedicated source of funds for the  
13 community economic revitalization board. To this end, the legislature  
14 directs that the interest earnings generated by the public works  
15 assistance account and the public facilities construction loan  
16 revolving account be used to fund the community economic revitalization  
17 board's financial assistance programs. The legislature further directs  
18 that for the next eleven years, an amount equal to one-eleventh of the  
19 principal and interest payments from loans issued by the public works

1 board under the timber and rural natural resources programs shall be  
2 used to fund the community economic revitalization board's financial  
3 assistance programs. It is the intent of the legislature to establish  
4 an ongoing funding source for the community economic revitalization  
5 board that will be used exclusively to advance economic development  
6 infrastructure. These funds are not for use other than for the stated  
7 purpose and goals of the community economic revitalization board.
