4 treatment programs.

5 **Sec. 3.** RCW 70.96A.140 and 1995 c 312 s 49 are each amended to
6 read as follows:

7 (1) When a designated chemical dependency specialist receives
8 information alleging that a person (~~(is incapacitated)~~) presents a
9 likelihood of serious harm or is gravely disabled as a result of
10 chemical dependency, the designated chemical dependency specialist,
11 after investigation and evaluation of the specific facts alleged and of
12 the reliability and credibility of the information, may file a petition
13 for commitment of such person with the superior court (~~(or)~~), district
14 court, or in another court permitted by court rule.

15 If a petition for commitment is not filed in the case of a minor,
16 the parent, guardian, or custodian who has custody of the minor may
17 seek review of that decision made by the designated chemical dependency
18 specialist in superior or district court. The parent, guardian, or
19 custodian shall file notice with the court and provide a copy of the
20 designated chemical dependency specialist's report.

21 If the designated chemical dependency specialist finds that the
22 initial needs of such person would be better served by placement within
23 the mental health system, the person shall be referred to either a
24 county designated mental health professional or an evaluation and
25 treatment facility as defined in RCW 71.05.020 or 71.34.020. If
26 placement in a chemical dependency program is available and deemed
27 appropriate, the petition shall allege that: The person is chemically
28 dependent and (~~(is incapacitated)~~) presents a likelihood of serious
29 harm or is gravely disabled by alcohol or drug addiction, or that the
30 person has twice before in the preceding twelve months been admitted
31 for detoxification, sobering services, or chemical dependency treatment
32 pursuant to RCW 70.96A.110 or 70.96A.120, and is in need of a more
33 sustained treatment program, or that the person is chemically dependent
34 and has threatened, attempted, or inflicted physical harm on another
35 and is likely to inflict physical harm on another unless committed. A
36 refusal to undergo treatment, by itself, does not constitute evidence
37 of lack of judgment as to the need for treatment. The petition shall
38 be accompanied by a certificate of a licensed physician who has

1 examined the person within five days before submission of the petition,
2 unless the person whose commitment is sought has refused to submit to
3 a medical examination, in which case the fact of refusal shall be
4 alleged in the petition. The certificate shall set forth the licensed
5 physician's findings in support of the allegations of the petition. A
6 physician employed by the petitioning program or the department is
7 eligible to be the certifying physician.

8 (2) Upon filing the petition, the court shall fix a date for a
9 hearing no less than two and no more than seven days after the date the
10 petition was filed unless the person petitioned against is presently
11 being detained in a program, pursuant to RCW 70.96A.120, 71.05.210, or
12 71.34.050, in which case the hearing shall be held within seventy-two
13 hours of the filing of the petition: PROVIDED, HOWEVER, That the above
14 specified seventy-two hours shall be computed by excluding Saturdays,
15 Sundays, and holidays: PROVIDED FURTHER, That, the court may, upon
16 motion of the person whose commitment is sought, or upon motion of
17 petitioner with written permission of the person whose commitment is
18 sought, or his or her counsel and, upon good cause shown, extend the
19 date for the hearing. A copy of the petition and of the notice of the
20 hearing, including the date fixed by the court, shall be served by the
21 designated chemical dependency specialist on the person whose
22 commitment is sought, his or her next of kin, a parent or his or her
23 legal guardian if he or she is a minor, and any other person the court
24 believes advisable. A copy of the petition and certificate shall be
25 delivered to each person notified.

26 (3) At the hearing the court shall hear all relevant testimony,
27 including, if possible, the testimony, which may be telephonic, of at
28 least one licensed physician who has examined the person whose
29 commitment is sought. Communications otherwise deemed privileged under
30 the laws of this state are deemed to be waived in proceedings under
31 this chapter when a court of competent jurisdiction in its discretion
32 determines that the waiver is necessary to protect either the detained
33 person or the public. The waiver of a privilege under this section is
34 limited to records or testimony relevant to evaluation of the detained
35 person for purposes of a proceeding under this chapter. Upon motion by
36 the detained person, or on its own motion, the court shall examine a
37 record or testimony sought by a petitioner to determine whether it is
38 within the scope of the waiver.

1 The record maker shall not be required to testify in order to
2 introduce medical, nursing, or psychological records of detained
3 persons so long as the requirements of RCW 5.45.020 are met, except
4 that portions of the record that contain opinions as to whether the
5 detained person is chemically dependent shall be deleted from the
6 records unless the person offering the opinions is available for cross-
7 examination. The person shall be present unless the court believes
8 that his or her presence is likely to be injurious to him or her; in
9 this event the court may deem it appropriate to appoint a guardian ad
10 litem to represent him or her throughout the proceeding. If deemed
11 advisable, the court may examine the person out of courtroom. If the
12 person has refused to be examined by a licensed physician, he or she
13 shall be given an opportunity to be examined by a court appointed
14 licensed physician. If he or she refuses and there is sufficient
15 evidence to believe that the allegations of the petition are true, or
16 if the court believes that more medical evidence is necessary, the
17 court may make a temporary order committing him or her to the
18 department for a period of not more than five days for purposes of a
19 diagnostic examination.

20 (4) If after hearing all relevant evidence, including the results
21 of any diagnostic examination, the court finds that grounds for
22 involuntary commitment have been established by clear, cogent, and
23 convincing proof, it shall make an order of commitment to an approved
24 treatment program. It shall not order commitment of a person unless it
25 determines that an approved treatment program is available and able to
26 provide adequate and appropriate treatment for him or her.

27 (5) A person committed under this section shall remain in the
28 program for treatment for a period of sixty days unless sooner
29 discharged. At the end of the sixty-day period, he or she shall be
30 discharged automatically unless the program, before expiration of the
31 period, files a petition for his or her recommitment upon the grounds
32 set forth in subsection (1) of this section for a further period of
33 ninety days unless sooner discharged.

34 If a petition for recommitment is not filed in the case of a minor,
35 the parent, guardian, or custodian who has custody of the minor may
36 seek review of that decision made by the designated chemical dependency
37 specialist in superior or district court. The parent, guardian, or
38 custodian shall file notice with the court and provide a copy of the
39 treatment progress report.

1 If a person has been committed because he or she is chemically
2 dependent and likely to inflict physical harm on another, the program
3 shall apply for recommitment if after examination it is determined that
4 the likelihood still exists.

5 (6) Upon the filing of a petition for recommitment under subsection
6 (5) of this section, the court shall fix a date for hearing no less
7 than two and no more than seven days after the date the petition was
8 filed: PROVIDED, That, the court may, upon motion of the person whose
9 commitment is sought and upon good cause shown, extend the date for the
10 hearing. A copy of the petition and of the notice of hearing,
11 including the date fixed by the court, shall be served by the treatment
12 program on the person whose commitment is sought, his or her next of
13 kin, the original petitioner under subsection (1) of this section if
14 different from the petitioner for recommitment, one of his or her
15 parents or his or her legal guardian if he or she is a minor, and his
16 or her attorney and any other person the court believes advisable. At
17 the hearing the court shall proceed as provided in subsection (3) of
18 this section.

19 (7) The approved treatment program shall provide for adequate and
20 appropriate treatment of a person committed to its custody. A person
21 committed under this section may be transferred from one approved
22 public treatment program to another if transfer is medically advisable.

23 (8) A person committed to the custody of a program for treatment
24 shall be discharged at any time before the end of the period for which
25 he or she has been committed and he or she shall be discharged by order
26 of the court if either of the following conditions are met:

27 (a) In case of a chemically dependent person committed on the
28 grounds of likelihood of infliction of physical harm upon himself,
29 herself, or another, the likelihood no longer exists; or further
30 treatment will not be likely to bring about significant improvement in
31 the person's condition, or treatment is no longer adequate or
32 appropriate.

33 (b) In case of a chemically dependent person committed on the
34 grounds of the need of treatment and incapacity, that the incapacity no
35 longer exists.

36 (9) The court shall inform the person whose commitment or
37 recommitment is sought of his or her right to contest the application,
38 be represented by counsel at every stage of any proceedings relating to
39 his or her commitment and recommitment, and have counsel appointed by

1 the court or provided by the court, if he or she wants the assistance
2 of counsel and is unable to obtain counsel. If the court believes that
3 the person needs the assistance of counsel, the court shall require, by
4 appointment if necessary, counsel for him or her regardless of his or
5 her wishes. The person shall, if he or she is financially able, bear
6 the costs of such legal service; otherwise such legal service shall be
7 at public expense. The person whose commitment or recommitment is
8 sought shall be informed of his or her right to be examined by a
9 licensed physician of his or her choice. If the person is unable to
10 obtain a licensed physician and requests examination by a physician,
11 the court shall employ a licensed physician.

12 (10) A person committed under this chapter may at any time seek to
13 be discharged from commitment by writ of habeas corpus in a court of
14 competent jurisdiction.

15 (11) The venue for proceedings under this section is the county in
16 which person to be committed resides or is present.

17 (12) When in the opinion of the professional person in charge of
18 the program providing involuntary treatment under this chapter, the
19 committed patient can be appropriately served by less restrictive
20 treatment before expiration of the period of commitment, then the less
21 restrictive care may be required as a condition for early release for
22 a period which, when added to the initial treatment period, does not
23 exceed the period of commitment. If the program designated to provide
24 the less restrictive treatment is other than the program providing the
25 initial involuntary treatment, the program so designated must agree in
26 writing to assume such responsibility. A copy of the conditions for
27 early release shall be given to the patient, the designated chemical
28 dependency specialist of original commitment, and the court of original
29 commitment. The program designated to provide less restrictive care
30 may modify the conditions for continued release when the modifications
31 are in the best interests of the patient. If the program providing
32 less restrictive care and the designated chemical dependency specialist
33 determine that a conditionally released patient is failing to adhere to
34 the terms and conditions of his or her release, or that substantial
35 deterioration in the patient's functioning has occurred, then the
36 designated chemical dependency specialist shall notify the court of
37 original commitment and request a hearing to be held no less than two
38 and no more than seven days after the date of the request to determine
39 whether or not the person should be returned to more restrictive care.

1 The designated chemical dependency specialist shall file a petition
2 with the court stating the facts substantiating the need for the
3 hearing along with the treatment recommendations. The patient shall
4 have the same rights with respect to notice, hearing, and counsel as
5 for the original involuntary treatment proceedings. The issues to be
6 determined at the hearing are whether the conditionally released
7 patient did or did not adhere to the terms and conditions of his or her
8 release to less restrictive care or that substantial deterioration of
9 the patient's functioning has occurred and whether the conditions of
10 release should be modified or the person should be returned to a more
11 restrictive program. The hearing may be waived by the patient and his
12 or her counsel and his or her guardian or conservator, if any, but may
13 not be waived unless all such persons agree to the waiver. Upon
14 waiver, the person may be returned for involuntary treatment or
15 continued on conditional release on the same or modified conditions.

16 NEW SECTION. **Sec. 4.** A new section is added to chapter 70.96A RCW
17 to read as follows:

18 The county alcoholism and other drug addiction program coordinator
19 may designate the county designated mental health professional to
20 perform the detention and commitment duties described in RCW 70.96A.120
21 and 70.96A.140.

22 NEW SECTION. **Sec. 5.** If any provision of this act or its
23 application to any person or circumstance is held invalid, the
24 remainder of the act or the application of the provision to other
25 persons or circumstances is not affected.
