Brief Description: Defining "high occupancy vehicle."

HB 1603 - DIGEST

Declares that "high occupancy vehicle" means:

- (1) A rubber tired municipal transit vehicle;
- (2) A bus with a carrying capacity of at least sixteen persons, including the driver;
- (3) A motorcycle;
- (4) A motor home with at least the number of occupants specified on applicable highway signs;
- (5) A tow truck, regardless of weight or number of occupants, when en route to an emergency on a specific roadway or roadside; and
- (6) Any other vehicle with at least the number of occupants specified on applicable highway signs, other than a truck over twenty thousand pounds gross vehicle weight.
