Brief Description: Assisting low-income persons to obtain affordable automobile liability insurance.

HB 1641 - DIGEST

Declares an intent to enable and encourage these persons to obtain automobile insurance and develop a history of having automobile insurance so that the premium is and continues to be affordable.

Declares an intent to accomplish this by equitably apportioning, among insurers required to participate in the assigned risk plan, coverage for up to two years for low-income persons without insurance as if they had a history of having automobile insurance.
