Brief Description: Providing equitable adjustment of indebtedness for fire district mergers and annexations.

HB 1798 - DIGEST

(AS _____ OF HOUSE 2ND READING 3/09/01)

Provides that, when a part of a fire protection district is transferred and merged with an adjacent fire protection district, or annexed to or incorporated into a city or town, the bonded indebtedness outstanding against the merging district shall be adjusted equitably between the merging district and the merger district as provided in this act.
