Brief Description: Increasing state agency contract accountability.

**HB 1808 - DIGEST**

Requires the director of financial management to devise a modern and complete system for achieving accountability for the use of public funds in all contracts made by any state agency. The director shall consult with stakeholder groups when devising the system.

Provides that the system shall address, but not be limited to, contractor selection; contract provisions, including performance measures that may be required under RCW 43.88.090; contract management; contract monitoring; auditing and postevaluation; timely resolution of monitoring and audit findings and recommendations; and financial accountability expectations.
