Brief Description: Reviewing school district financial management practices.

**HB 1989 - DIGEST**

(SEE ALSO PROPOSED 1ST SUB)

Directs the joint legislative audit and review committee, with the assistance of the state auditor, to design a system that can be used to evaluate whether a school district is employing best financial management practices.

Requires the specific functional areas in the system to include at least the following:

- (1) Management structure;
- (2) Performance accountability;
- (3) Delivery of educational services, including instructional materials;
- (4) Administrative and educational technology;
- (5) Personnel systems and benefits management;
- (6) Facilities construction, including use of state and district construction funds;
- (7) Facilities maintenance;
- (8) Student transportation;
- (9) Food service operations;
- (10) Cost control systems, including asset management, risk management, financial management, purchasing, internal auditing, and financial auditing;
- (11) Safety and security; and
- (12) Community involvement.
