Brief Description: Authorizing the imposition or expenditure of student fees by a two-thirds vote.

HB 2006 - DIGEST

Requires that any action that imposes mandatory, but refundable fees, or authorizes expenditures of services and activities fees must be reviewed by the board of regents or trustees within ninety days, if the action is approved by a vote of two-thirds of the students voting and notice of the vote on the action is made at least ninety days prior to the vote. If the board of regents or trustees does not approve the action or fails to complete a review within ninety days, the action is in dispute and subject to resolution by the dispute resolution committee under this act.
