Brief Description: Creating a housing allowance program for nonsupervisory educational employees.

HB 2348 - DIGEST

(SEE ALSO PROPOSED 2ND SUB)

Finds that, as the disparity in the cost-of-living between school districts across the state has grown in recent years, the purchasing power of equalized salaries has become more disparate for K-12 employees. A major contributor to these costs is housing.

Declares that the purpose of this act is to authorize a housing allowance for nonsupervisory public school employees in order to minimize disparities in purchasing power among educational employees across the state.
