Brief Description: Creating green lanes.

**HB 2423 - DIGEST**

Declares that green lanes will be for the exclusive or preferential use of the following vehicles when such limitations will increase the efficient use of the highway or will aid in the conservation of energy resources: (1) Public transportation vehicles;

(2) Private motor vehicles carrying no fewer than a specified number of passengers;

(3) Private motor vehicles whose average gasoline mileage is at least twice the national average for passenger cars, as that figure is determined by the United States environmental protection agency; or

(4) Private motor vehicles that have been designated as green vehicles by the department of transportation.
