Brief Description: Serving child support documents to financial
institutions.

HB 2684-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides for service of child support documents to financial
institutions.

Authorizes service by regular mail to an address if designated
by the financial institution as a central levy or garnishment
address, and if the notice is clearly identified as a levy or
garnishment order. Before the division of child support may
initiate an action for noncompliance with a withholding action
against a financial institution, the division of child support must
serve the order to withhold and deliver on the financial
institution in the manner described in this act.
