Brief Description: Allowing cigarette retailers and manufacturers to contract for advertising purposes.

HB 2890 - DIGEST

Authorizes a cigarette retailer and manufacturer to enter into contracts or agreements with each other for the retailer to: (1) Obtain, participate in, and receive payments from the manufacturer under the manufacturer's cigarette merchandising, advertising, display, or promotion programs, whether permanent or temporary; (2) be compensated by the manufacturer for providing space for the merchandising, advertising, display, or promotion of the manufacturer's products; or (3) purchase cigarettes.
