Brief Description: Creating a steering committee to study improving the funding and quality of care in the state's long-term care system.

HB 2956 - DIGEST

Creates a steering committee to study improving the funding and quality of care in the state's long-term care system.

Appropriates the sum of seventy-five thousand dollars, or as much thereof as may be necessary, for the fiscal year ending June 30, 2003, from the general fund to the office of financial management for the purposes of this act.
