

5006

Sponsor(s): Senator McCaslin

Brief Description: Modifying the composition of electors for president and vice-president.

**SB 5006 - DIGEST**

Declares that the electors shall be elected based on the number of votes cast for each of the three parties receiving the most votes in the state divided by the aggregate number of votes cast for the three parties receiving the most votes in the state. All three parties shall elect at least one elector.
