Brief Description: Limiting liability for specified state workers for errors of judgment.

**SB 5355 - DIGEST**

(SUBSTITUTED FOR - SEE 1ST SUB)

Declares that the state or a child dependency caseworker or adult protective services caseworker, individually or in a representative capacity for the state, is not liable for an error of judgment if, in arriving at that judgment, the caseworker exercised reasonable care and skill, within the applicable policies, procedures, and standards the caseworker is obliged to follow.

Declares that the state or a community corrections officer, parole officer, or probation officer, individually or in a representative capacity for the state, in juvenile and adult offender supervision cases is not liable for an error of judgment if, in arriving at that judgment, the officer exercised reasonable care and skill, within the applicable policies, procedures, and standards the officer is obliged to follow.
