Brief Description: Evaluating children within the foster care agency caseload.

**SB 6055 - DIGEST**

(SUBSTITUTED FOR - SEE 1ST SUB)

Authorizes the department to create a pilot project to establish the tools and methods for evaluating children. The pilot project may extend through August 31, 2001. The department shall report to the legislature by September 30, 2001, on the results of the pilot project.
