Brief Description: Regulating planting stock certification and nursery improvement programs.

SB 6253 - DIGEST

(AS OF SENATE 2ND READING 2/15/02)

Establishes an advisory committee to advise the director in the administration of the grapevine certification and nursery improvement program.

Provides that the committee shall consist of two grapevine nursery dealers; three grape growers, at least two of whom grow wine grapes; one winery representative; a university researcher; and the director. When appointing this committee, the director shall consider names submitted by the Washington association of wine grape growers and the Washington state grape society.
