Brief Description: Revising the requirements of notification to coworkers when a sexually violent predator is employed.

**SB 6570 - DIGEST**

(SUBSTITUTED FOR - SEE 1ST SUB)

Provides that, whenever a court orders a person conditionally released to a less restrictive alternative that permits the person to obtain employment, the order shall require the department, in consultation with the person's employer, to submit, to the court, a proposed plan to notify coworkers of the conditionally released person's status.
